THE 1% RULE Sam Samir Basfor is a self-improvement writer focused on discipline, consistency, and long-term personal growth. His work explores how small daily actions compound over time to create meaningful and lasting change. Through clear frameworks and practical thinking, he emphasizes systems over motivation and progress over perfection. His writing is designed for readers who want realistic self-development without hype, extremes, or unrealistic routines. THE 1% RULE reflects his belief that extraordinary results are built through ordinary actions repeated consistently., THE 1% RULE How Small Daily Improvements Create Extraordinary Results Success is rarely the result of one big breakthrough It is built quietly through small decisions repeated daily THE 1% RULE is a practical self help ebook that explains how improving just 1% every day can completely change your mindset habits discipline and long term outcomes Instead of extreme routines or unrealistic motivation this book focuses on simple systems that compound over time What This Book Is About This ebook explores how small consistent actions shape your future far more than short bursts of effort It explains why most people fail to change why motivation is unreliable and how disciplined systems lead to real progress You ll learn how to Build consistency without burnout Use the power of compounding in daily life Replace drifting with direction Develop discipline through small habits Stop quitting halfway and start finishing Think long term instead of chasing quick results The ideas are clear grounded and designed to be applied immediately Who Should Read This Book Students who want focus and discipline Readers interested in personal growth and mindset People tired of starting and stopping self improvement Anyone who wants progress without pressure Those who prefer clarity over motivational hype This book is suitable for beginners and experienced readers of self help alike Why Readers Choose THE 1% RULE Easy to understand no complex theory Focuses on real life application Encourages sustainable improvement Written in a calm practical tone Designed for long term personal growth No extreme schedules No unrealistic promises Just small improvements that work when done consistently Start Where You Are Improve What You Can Repeat You don t need to change everything at once You only need to get slightly better than yesterday THE 1% RULE shows you how

Apple Watch Series 5 for Seniors Scott La Counte, 2019-09-19 The Apple Watch looks pretty snazzy, right? People have told you all about the cool features like if you fall it will automatically call for help. They've told you about how you can send a text from your wrist. How you can even make a phone call. That's all great. But how do you actually use it? As amazing as all the new features are, it's not quite as easy to use as an iPhone. The lack of buttons, the smaller screen and general UI can make a frustrating initial experience. It looks nothing like the iPhone or iPad interface you are used to except for a handful of icons. If you are lost and don't have a lot of time to comb through thousands of pages of tech speak just to learn how to use a watch, then this book is for you. This book is based on the book *The Ridiculously Simple Guide to Apple Watch Series 5* but includes sections specifically for seniors including accessibility features that make text easier to see. Are you ready to start enjoying your new Apple Watch? Then let's get started.
