*Billboard*, 2009-03-07 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Economics of the Popular Music Industry** Christie Byun, 2024-04-29 This book uses economic theory to explain how consumers and producers have responded to major changes in the music industry Byun examines the important role of technology in changing its structure particularly as new methods of creating and accessing music prove to be a double edged sword for creators and producers This second edition includes new information about concert attendance and live performance in the COVID era and what followed as well as the resultant economic impacts on the industry Throughout the book Byun questions how the business of music affects creativity and the extent to which this impacts the creative output of the individual artist Chapters also address copyright enforcement and online piracy This is an approachable resource for economists interested in the music industry as well as business and music majors studying the ways in which technology can impact a creative process

*The Perilous Life of Symphony Orchestras* Robert J. Flanagan, 2012-01-24 This book analyzes the economic challenges facing symphony orchestras and contrasts the experience of orchestras in the United States where there is little direct government support and abroad where governments typically provide large direct subsidies Robert J Flanagan explains the tension between artistic excellence and financial jeopardy that confronts most symphony orchestras He analyzes three complementary strategies for addressing orchestras economic challenges raising performance revenues slowing the growth of performance expenses and increasing nonperformance income and demonstrates that none of the three strategies alone is likely to provide economic security for orchestras
