*Selling the Silver Bullet* Avi Santo, 2015-04-15 Originating as a radio series in 1933 the Lone Ranger is a cross media star who has appeared in comic strips comic books adult and juvenile novels feature films and serials clothing games toys home furnishings and many other consumer products In his prime he rivaled Mickey Mouse as one of the most successfully licensed and merchandised children s properties in the United States while in more recent decades the Lone Ranger has struggled to resonate with consumers leading to efforts to rebrand the property The Lone Ranger s eighty year history as a lifestyle brand thus offers a perfect case study of how the fields of licensing merchandizing and brand management have operated within shifting industrial and sociohistorical conditions that continue to redefine how the business of entertainment functions Deciphering how iconic characters gain and retain their status as cultural commodities *Selling the Silver Bullet* focuses on the work done by peripheral consumer product and licensing divisions in selectively extending the characters reach and in cultivating investment in these characters among potential stakeholders Tracing the Lone Ranger s decades long career as intellectual property allows Avi Santo to analyze the mechanisms that drive contemporary character licensing and entertainment brand management practices while at the same time situating the licensing field s development within particular sociohistorical and industrial contexts He also offers a nuanced assessment of the ways that character licensing firms and consumer product divisions have responded to changing cultural and economic conditions over the past eighty years which will alter

perceptions about the creative and managerial authority these ancillary units wield *Media/Society* David Croteau, William Hoynes, 2018-08-21 The best text to help students understand the often complicated ever changing relationship between media and society Seong Jae Min Pace University Providing a framework for understanding the relationship between media and society this updated Sixth Edition of *Media Society* helps students develop the skills they need to critically evaluate both conventional wisdom and their own assumptions about the social role of the media The book retains its acclaimed sociological framework but now includes additional discussions of new research and up to date coverage of today's rapidly changing media landscape Now featuring streamlined content and a more engaging narrative this edition offers expanded discussions of the new media world including digitization the internet the spread of mobile media devices the role of user generated content the potential social impact of new media on society and new media's effect on traditional media outlets Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning Learn more at [edge.sagepub.com/croteau6e](http://edge.sagepub.com/croteau6e) Bundle and Save Bundle this text with *Careers in Media and Communication* by Stephanie Smith for only 5 more Use ISBN 9781544361246 [Showmen's Motion Picture Trade Review](#), 1951 **Franchise Era** Fleury James Fleury, 2019-04-01 As Hollywood shifts towards the digital era the role of the media franchise has become more prominent This edited collection from a range of international scholars argues that the franchise is now an integral element of American media culture As such the collection explores the production distribution and marketing of franchises as a historical form of media making analysing the complex industrial practice of managing franchises across interconnected online platforms Examining how traditional media incumbents like studios and networks have responded to the rise of new entrants from the technology sector such as Facebook Apple Amazon Netflix and Google the authors take a critical look at the way new and old industrial logics collide in an increasingly fragmented and consolidated mediascape *The Black Guy Dies First* Robin R. Means Coleman, Mark H. Harris, 2023-02-07 A definitive and surprising exploration of the history of Black horror films after the rising success of *Get Out* *Candyman* and *Lovecraft Country* from creators behind the acclaimed documentary *Horror Noire* *The Black Guy Dies First* explores the Black journey in modern horror cinema from the fodder epitomized by *Spider Baby* to the Oscar winning cinematic heights of *Get Out* and beyond This eye opening book delves into the themes tropes and traits that have come to characterize Black roles in horror since 1968 a year in which race made national headlines in iconic moments from the enactment of the 1968 Civil Rights Act and Martin Luther King Jr's assassination in April This timely book is a must read for cinema and horror fans alike

**Postcolonial Representations of Women** Rachel Bailey Jones, 2011-06-11 In this accessible combination of post colonial theory feminism and pedagogy the author advocates using subversive and contemporary artistic representations of women to remodel traditional stereotypes in education It is in this key sector that values and norms are molded and prejudice

kept at bay yet the legacy of colonialism continues to pervade official education received in classrooms as well as unofficial education ingested via popular culture and the media The result is a variety of distorted images of women and gender in which women appear as two dimensional stereotypes The text analyzes both current and historical colonial representations of women in a pedagogical context In doing so it seeks to recast our conception of what difference is challenging historical patriarchal gender relations with their stereotypical representations that continue to marginalize minority populations in the first world and billions of women elsewhere These distorted images the book argues can be subverted using the semiology provided by postcolonialism and transnational feminism and the work of contemporary artists who rethink and recontextualize the visual codes of colonialism These resistive images created by women who challenge and subvert patriarchal modes of representation can be used to create educational environments that provide an alternative view of women of non western origin Film Review ,2002 **The New Leader** ,1978 *The Great Monster Magazines* Bobb Cotter,2008-06-27 This work provides a critical overview of monster magazines from the 1950s to the 1970s The term monster magazine is a blanket term which for the purposes of this study is used to describe both magazines that focus primarily on popular horror movies and magazines that contain stories featuring monsters which are illustrated in comic book style but printed in black and white *The Billboard* ,1927 **Homemade Money** Barbara Brabec,1997 This must have survival guide for today s economy shows aspiring and veteran entrepreneurs how to select start manage market and multiply the profits of business at home The latest edition has been expanded and updated to reflect the changing face of home based businesses and features hundreds of new tips sidebars and examples from more than 200 readers and business professionals of charts illustrations **Practical Druggist and Pharmaceutical Review of Reviews** ,1920 **Bookseller & Stationer and Office Equipment Journal** ,1924 **Playthings** ,1962 **Overkill** Bill Mesce (Jr.),2007 The work examines the evolution of the thriller from the heyday of the Hollywood mogul era in the 1930s when it was primarily bottom of the bill fodder through its maturity in the World War II years and noir breeding 1950s its commercial and critical ascendancy in the 1960s and 1970s and finally its subsequent box office dominance in the age of the blockbuster Cutter's Research Journal ,1989 *Microsoft Office 2003* Stephen Haag,James T. Perry,Amy Phillips,Merrill Wells,Paige Baltzan,2004 Emphasizes that students learn and master applications skills by being actively engaged by doing Prior to introducing steps this I Series Applications textbook discusses why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document workbook or database
