**Artificial Intelligence in Patient Counselling** Bhupendra G. Prajapati, Meghraj Vivekanand Suryawanshi, Jigna Prajapati, Nemat Ali, 2025-11-08 Artificial Intelligence in Patient Counselling explores the transformative role of artificial intelligence in enhancing patient counseling and education. The book delves into how cutting edge AI technology is reshaping the healthcare landscape, improving patient experiences and driving better health outcomes. It provides a comprehensive overview of the ways AI can address the challenges of personalized and effective patient care. Sections cover a wide range of topics including the creation of personalized treatment plans through AI's analysis of patient data, the emergence of AI-powered virtual health assistants for 24/7 support, and the use of predictive analytics to identify early disease progression. Additionally, it explores AI-enhanced medical imaging, empathetic AI chatbots, ethical considerations, and real-world case studies that illustrate the tangible benefits of AI in patient counseling and education. By offering insights from leading experts, it empowers readers to navigate the evolving healthcare landscape with confidence and compassion. The book provides essential knowledge and tools for improving patient outcomes and modernizing patient care through AI-driven solutions, making it a valuable resource for understanding the impact of AI on patient care and education. Delves into how AI analyzes patient data, including medical histories, genetics, and lifestyles, to create tailored treatment plans. Highlights the role of AI-driven virtual health assistants and chatbots that provide 24/7 support, empathetic conversations, and proactive counseling. Discusses the ethical implications of using AI in healthcare. Presents real-world case studies that illustrate the practical benefits and challenges of AI in patient counseling and education. *WELL-BEING* Sheena Johnson, Ivan Robertson, Cary L. Cooper, 2017-10-15 This book is the second edition of *Well-being: Productivity and Happiness at Work* that shows how to improve well-being in organizations. As with its predecessor, this new edition is remarkably timely. It explores the latest findings in the research on wellbeing and offers practical guidelines to the reader on how to promote well-being, productivity, and happiness at work. High levels of well-being at work are good for the employee and the organization. It means lower sickness absence levels, better retention, and more satisfied customers. People with higher levels of well-being live longer, pursue happier lives, and are easier to work with. This updated edition provides an extensive overview of resilience at work and how this affects wellbeing. It introduces new topics such as what organizations need to consider about wellbeing in the context of an ageing workforce. It provides new case studies that have been conducted in the last few years, including a case study on health and wellbeing in the Civil Service. **Mental Triggers** Digital World, 2025-02-22 The world of sales is a battlefield where persuasion is a more powerful weapon.
