Sourcing and Recruitment Handbook Jay Tarimala,2020-11-10 The sourcing and recruitment community has come a long way from what it used to be 20 years back and as recently as 5 years back and the amount of technology changes has kept everyone on the tenterhooks The methods that you would adopt or Boolean strings that used to work today may not work tomorrow and there is a constant learning curve to keep oneself updated and also brings a healthy level of competition among individuals eager to show their wares The volume based or niche skills hiring has become a race to the finish The individuals with the super sourcing as well as relationship management skills tend to be more often than not the winners in the end The recruitment community looks to find the needle in the haystack every day to find the right candidate to fulfill the hiring manager mandate The ever bulging stock of search strings productivity tricks and their ways of thinking they implement are a stuff of legend The tools do not make a Sourcer or recruiter but they should always be seen as an assistant to free up their time for more productive conversations with prospective candidates This exercise is an attempt to equip the Talent Acquisition community with the various ways and methods to optimize their time and find the relevant information trends movers and shakers etc to be better prepared to find relevant candidates for their clients internal or external It is by no means an exhaustive list but a start nonetheless

How Equality Wins Kenji Yoshino,David Glasgow,2026-02-17 The renowned legal experts behind Say the Right Thing return with this clarion call for reimagining the work of diversity equity and inclusion DEI in a divided nation Equality in America is under siege Corporations and universities are abandoning the DEI programs they previously

championed The tools Americans had for advancing fairness are facing a relentless political and legal assault So how do we build a more just nation when the old playbook is no longer viable In this groundbreaking manifesto Kenji Yoshino and David Glasgow founders of the Meltzer Center for Diversity Inclusion and Belonging at NYU School of Law candidly unpack where DEI went wrong and offer a roadmap to rebuild equality for the new era Drawing on their peerless legal expertise and extensive experience advising leaders in corporate America academia and the non profit sector Yoshino and Glasgow share tangible strategies to put this nation back on a more inclusive path such as by fostering free speech and dissent reclaiming the concept of merit and welcoming groups that felt neglected by DEI In doing so they provide an urgently needed blueprint to ensure the work of equality can overcome the backlash and emerge stronger on the other side In an era when equality is imperiled How Equality Wins provides a bracing critique and hopeful call to action for anyone committed to creating a fairer society
