Hypothesis Irene Park loves romance novels so much so she's made a career of them as an online book reviewer with a massive following. But Irene's real life dating story is non-existent. So when she starts her freshman year of college she sets her sights on finding true love using the one thing she really understands: romance book tropes. If only it were that easy. Enter Aiden Jeon, Irene's online book review rival and biggest nemesis. When Aiden challenges her to see who can find love by trope first, he becomes the one person standing in her way to getting everything she wants, both professionally and personally too. So when the competition takes an unexpected turn forcing the two of them to have to partner in the ultimate trope: fake dating, Irene is not prepared for everything she believed about romance and Aiden to flip on its head. As Irene tackles the challenges of college life, struggles to figure out what she really wants for herself, all while trying to win the race for love, Irene realizes the answers may not be found in a romance novel. Happily Ever Afters seem so easy on page, but for Irene to find her ultimate HEA, she'll have to get her nose out of the book and become the main character of her own story. Perfect for fans of *Enemies to Lovers*, *Fake Dating*, *College Rom Coms*, *Banter for Days*. A Pop Culture References Book about loving books.

makes no bones about making it clear to Boss either that he both knows what he is up to and isn't going to cooperate. He doesn't now or ever want a wife. This boy you are going to protect is somewhat of a problem child. He has had a great deal thrown at him but Boy Boss nodded and frowned. No, I'm sorry but it should be a woman, not a boy. I'm not; you're going to assign me my wife to care for. I don't want one but I know it should be female. What is this about? He pushed the file back at Michael. You want a wife? It was my understanding that you have no wish to be wed. Am I correct on that? Galin nodded and looked at the file with the picture of a young boy on it. He appeared to be in his early teens, maybe, but he wasn't much older than that. Galin: Do you wish for me to reassign you? Do you have no desire to help this young man? I thought I was going into the rotation to find me a wife. The way that you did for Riss and Agon. He looked up at Boss and Michael who had summoned him today. I had thought that the Mystics were a way for you to get rid of us all and marrying us off was better than having us die. I'm not sure what's going on now. Dusty McGee has just lost her sister to a horrific accident and finds herself saddled with a very angry young nephew to raise. Now some self-proclaimed protector Galin tells her that although he doesn't want to marry her, he would very much like to take her to his bed. She's had about all that she can stand. Markum has set his sights on taking the boy to his realm, convinced this is the alleged boy the demons have been searching for, and Dusty is an added bonus.

As they navigate a world where flying deathriders conquer and burn, their love will ignite a firestorm that can only end in heartbreak or death. Or both. *Firebird* is an adult romantasy novel that contains dark themes including slavery in Ancient Rome, which may be unsuitable for some readers. Why readers love *Firebird*: An addictive, fast-paced read with chemistry off the charts. Seriously intense and steamy romance. The romance: Utter perfection.
