kaptest.com has been helping students for 80 years. Want even more practice questions in book and online? Try our biggest book available: SAT Total Prep 2023. *Streamlined Library Programming* Daisy Porter-Reynolds, 2014-03-20. Is it possible to both cut costs and improve public library programming for all ages? Yes, it is. This book demonstrates how. In their roles as community centers, public libraries offer many innovative and appealing programs, but under current budget cuts, library resources are stretched thin. With slashed budgets and limited staff hours, what can libraries do to best serve their publics? This how-to guide provides strategies for streamlining library programming in public libraries while simultaneously maintaining or even improving quality delivery. The wide variety of principles and techniques described can be applied on a selective basis to libraries of all sizes. Based upon the author's own extensive experience as well as that of colleagues in other library systems, this book provides readers with a practical step-by-step approach to maximizing resources and minimizing costs of programming without sacrificing quality, as well as insider tips and examples from the field that will help them to avoid known pitfalls.
