*Return of the Observer* Marquez Price, 2024-04-26 Return of the Observer is a book that offers insightful observations of the world exploring diverse topics and perspectives to provide readers with a thought provoking journey through the complexities of our shared human experience The title connects in reference to Marquez Price s second bestselling poetry book From the Observer to the Observed in that a writer starts out as a writer through observation and then becomes the observed once their writing is recognized Marquez Price returns as the observer with the release of his first book of essays in a new genre

*The American Game* S. L. Price, 2025-05-20 From the master of new journalism who always hits it over the fence New York Times and one of the finest writers on sports anywhere USA Today the scintillating story of lacrosse the game invented by the Haudenosaunee played with more passion than any other that stubbornly mirrors America s ongoing struggle with inclusivity Nearly a millennium ago Native Americans created lacrosse as a means of training warriors and settling disputes Co opted by whites in the late 1800s played for a century largely at elite east coast colleges over the past thirty years lacrosse has exploded around the world becoming the fastest growing sport in the U S

while exposing the fault lines of prejudice and privilege that continue to dog its image At the same time the spiritual nature and dazzling style of the Native game has been elevated to center stage as the brilliant Haudenosaunee Iroquois play as a nation unto themselves maintaining their deep traditions and hoping for inclusion in the 2028 Olympics Based on seven years of research and observation and crafted with consummate skill The American Game takes readers inside a unique cultural landscape that nonetheless reflects the wider world Fluidly weaving in compelling action on the field from World Championships to tense NCAA tournaments Price also chronicles the controversies and anomalies that have in many ways defined lacrosse Racism stubbornly persists and the Haudenosaunee have endured plenty in their rise yet few mainstream entities have done more than lacrosse to champion the Native American experience The Duke rape case and the murder of Yeardey Love still resonate reinforcing the sport s elite lachbro image yet women remain the core force powering its astonishing boom Lacrosse s longtime link with Wall Street endures but its bond with elite military service is just as remarkable Price introduces legendary individuals from Jim Brown some say he was even better at lacrosse than football Black superstar Kyle Harrison and the brilliant Iroquois stickman Lyle Thompson to famed coaches Lars Tiffany and Kelly Amonte Hiller and Onondaga faithkeeper Oren Lyons All of them and all who play the game pay homage to the mystical qualities of the lacrosse stick which American coaching icon Bill Tierney calls the thing that makes you special A masterpiece of narration and investigation The American Game is the powerful story of a sport that perhaps more than any other captures the complexity of America in its ongoing effort to achieve a more perfect union

[The Oxford Handbook of Museum Archaeology](#) Alice Stevenson,2022-08-25 This Handbook provides a transnational reference point for critical engagements with the legacies of and futures for global archaeological collections It challenges the common misconception that museum archaeology is simply a set of procedures for managing and exhibiting assemblages Instead this volume advances museum archaeology as an area of reflexive research and practice addressing the critical issues of what gets prioritized by and researched in museums by whom how and why Through twenty eight chapters authors problematize and suggest new ways of thinking about historic contemporary and future relationships between archaeological fieldwork and museums as well as the array of institutional and cultural paradigms through which archaeological enquiries are mediated Case studies embrace not just archaeological finds but also archival field notes photographic media archaeological samples and replicas Throughout museum activities are put into dialogue with other aspects of archaeological practice with

the aim of situating museum work within a more holistic archaeology that does not privilege excavation or field survey above other aspects of disciplinary engagement These concerns will be grounded in the realities of museums internationally including Latin America Africa Asia Oceania North America and Europe In so doing the common heritage sector refrain best practice is not assumed to solely emanate from developed countries or European philosophies but instead is considered as emerging from and accommodated within local concerns and diverse museum cultures
