No Red Lights Alan J. Patricof,2022-05-03 As featured in The Wall Street Journal One of Business Insider s 5 Best Leadership Books I Read This Year for 2022 A look back at entrepreneurial growth and venture capital in the last half century by one of the leading figures in the industry Extensive media and online coverage of the business arena news of start ups mergers and deals are familiar headlines these days But that wasn t always the case The early years of venture capital were a far cry from today s very public dealings Alan Patricof one of the pioneers of the venture arena offers a behind the scenes look at the past fifty years of the industry From buying stock in Apple when its market valuation was only 60 million to founding New York Magazine to investing in AOL Audible and more recently Axios his discerning approach to finding companies is almost peerless All of

Patricof's investments from Xerox to Venmo share certain qualities. Each company had sound product with wide appeal, the economics were solid, and the management team was talented and committed to seeing their visions come to fruition. **Low Power FM For Dummies** Sharon M. Scott, 2023-10-10. Beginner-friendly advice on how to start and run a local FM station. There are approximately 2000 low power FM radio stations in the United States. That number will grow as more licenses are issued in the coming years. **Low Power FM For Dummies** walks you through the key steps you need to take to establish, manage, and help run one of these hyper-local broadcast operations. You'll get easy-to-follow help on everything from making all your gear work to financing your operation, managing your staff, and complying with rules and regulations. Not sure where to begin? No worries. This book explains the process of getting a broadcast license and collecting all the necessary tools. It also provides insight on starting with a station that streams online only. Already got started? That's great too. You'll learn to refine your approach to low power FM station management with the useful tips found within. **Low Power FM For Dummies** will also help you serve your community at a hyper-local level with programming aimed directly at the people in your area. Manage the people, technology, processes, and systems that underlie a well-run low power FM station. Guide the operations of a new or established station as a volunteer board member or creator. Low power radio stations need well-informed and effective operators, technicians, board members, and volunteers to fulfil their potential. **Low Power FM For Dummies** can help you fill any of those roles and more in no time at all. **You're In Good Company** Ashlee Gadd, 2026-03-17. They say it takes a village to raise a child, but how exactly do you create and sustain that village? **You're In Good Company** by Ashlee Gadd and the writers of *Coffee Crumbs* is a heartfelt collection of stories celebrating the unique roles that food, friendship, and hospitality play within the context of motherhood. Through captivating and honest essays, Ashlee and the *Coffee Crumbs* team invite moms to rediscover and even redefine what hospitality can look like in a busy, lonely world. Hint: it looks less like glamorous dinner parties and more like ordinary grace around the backyard fire pit. **You're In Good Company: The Gift of Friendship, Motherhood, and Showing Up** mixes personal stories, reflections, and helpful ideas, all based on the belief that hospitality doesn't need to be perfect to matter. From folding laundry together on the living room floor to sobbing together at the top of a hike, these essays will prompt you to laugh, cry, and immediately pick up your phone to text a friend. This book is for anyone who wants deeper connections, richer friendships, and a more engaged sense of community. Tangible examples of creating sacred, memorable moments in the midst of a busy life. Encouragement to approach hospitality through a lens of faith, love, and belonging. **You're In Good Company** offers practical ways to deepen friendships, featuring recipes that go along with each essay. From a dish full of cultural tradition to the comfort of baking sourdough as a form of healing, these are stories about feeding people and being fed, not for the sake of performance but for the sake of presence. This book gently reminds you that hospitality is about showing up consistently and imperfectly with love and care. **You're In Good Company** is not a book you simply read; this is a book you live. Vanity Fair, 2016.
