World Series Best Returns:

Baseball's Greatest Series Chris Donnelly, 2010-01-15 Baseball's Greatest Series details what many believe to be the most exciting postseason series in baseball history the 1995 Division Series between the New York Yankees and the Seattle Mariners This division series was not simply about two teams playing five postseason games It was about Ken Griffey Jr Lou Piniella Buck Showalter Gene Michael Jim Leyritz Randy Johnson Wade Boggs Tony Fernandez Pat Kelly Dion James Darryl Strawberry and many others who changed the course of baseball history A team playing to keep baseball alive in the Pacific Northwest A manager who was literally managing for his job A New York sports icon who for one week reminded everybody of the dominating player he had been a decade earlier Chris Donnelly's replay of this entire season reminds readers that it was a time when grown men cried their eyes out after defeat and others just a few hundred feet away poured beer and champagne over one another while 57 000 people in Seattle's Kingdome celebrated Five games they were Five games that reminded people after the devastating players strike in 1994 how great a game baseball is because comebacks are always possible no matter how great the obstacles may seem From Don Mattingly's only postseason home run which caused a near riot to Edgar Martinez's legendary eleventh inning series clinching double Donnelly chronicles the earlier struggles of both teams during the 1980s their mid 1990s resurgence all five heart stopping games of the series and the dramatic and long lasting effects of Seattle's victory Simply stated Baseball's Greatest Series hits a home run **Return of the Gold** Dan Bickley, 2009-10-01 Six years after Michael Jordan won his last NBA championship American basketball hit rock bottom The perception of NBA players reached an all time low Team USA lost three times disgracing the nation at the 2004 Olympics With great historical sweep bringing in the voices of all time greats like Jordan Bill Russell Julius Erving and Jerry West the book will show how American basketball bottomed out It will chart the path of Jerry Colangelo a great sportsman who set out to change the stained image of USA Basketball And with great insight and fresh detail it will show how two of the best players in history Kobe Bryant and LeBron James spun their own tails of redemption in while winning gold medals **Jose - Return Of The King** Harry Harris, 2014-09-04 I stay until they want me not to stay No club moves me from Chelsea until Chelsea wants me to move because I want to be where I am loved Jose Mourinho January 2014 Yet in December 2015 the love affair came to an incredible and stunning end This book chronicles the entire remarkable story of Jose Mourinho and Chelsea with a critical insight into how and why it ended so dramatically Confrontational passionate full of chutzpah Mourinho is a masterful tactician and surely the best boss in the history of Chelsea Yet for a second time the Emperor of the Bridge Roman Abramovich cast him aside The reason having won the Premier League the team's defence of the title proved to be one of the most bizarre periods in the club's history In his first stint at Stamford Bridge the self styled Special One won two League titles back to back the FA Cup and two League Cups and included a still unsurpassed Premier League points tally record of 95 in the 2004-5 season On returning home after a six year absence Mourinho receiving a welcome by an army of

Chelsea fans who love him every bit as much as they used to He rewarded their faith in some fashion sweeping aside newly rich Manchester City to soar to a third League title with three games to spare as well as a third League Cup Then came the biggest collapse of any defending title holder Why did it happen Who was to blame Was there a players rebellion Who panicked behind the scenes and why How much was the row with the first team doctor Eva Carneiro at the heart of Mourinho s second sacking from Chelsea The answers lie in this fully revised updated and expanded edition of Harry Harris s biography It brings Mourinho s story right up to date showing exactly why English football would be infinitely poorer without the colourful commanding and controversial presence of the Special One
