James Bond Will Return Claire Hines, Terence McSweeney, Stuart Joy, 2024-01-09 For over six decades James Bond has been a fixture of global culture universally recognizable by the films combination of action set pieces sex political intrigue and outrageous gadgetry But as the British Empire entered the final stages of collapse as the Cold War wound down and the War on Terror began and as the visions of masculinity and femininity the series presented began to strike many viewers as outdated the Bond formula has adapted to the changing times Spanning the franchise s entire history from Sean Connery s iconic swagger to Daniel Craig s rougher more visceral interpretation of the superspy James Bond Will Return offers both academic readers and fans a comprehensive view of the series s transformations against the backdrop of real world geopolitical intrigue and sweeping social changes Leading scholars consider each of the twenty five films in the series showing how and why Bond has changed and what elements of the formula have stood the test of time Each chapter examines a single film from a distinct position giving readers a full picture of the variety and breadth of the longest running series in cinema history Close formal readings production histories tracings of the political social and historical influences analyses of the series use of then new filmmaking technologies reflections on the star personas that have been built around the character these and many more approaches combine to produce a wide ranging view of the James Bond film franchise Essential reading for Bond scholars and aficionados alike James Bond Will Return brings out the many surprising complexities of an iconic character

The First King of Hollywood Tracey Goessel, 2015-10-01 Theatre Library Association s Wall Award Finalist Silent film superstar Douglas Fairbanks was an absolute charmer Irrepressibly vivacious he spent his life leaping over and into things from his early Broadway successes to his marriage to the great screen actress Mary Pickford to the way he made Hollywood his very own town The inventor of the swashbuckler he wasn t only an actor he all but directed and produced his movies and in founding United Artists with Pickford Charlie Chaplin and D W Griffith he challenged the studio system But listing his accomplishments is one thing and telling his story another Tracey Goessel has made the latter her life s work and with exclusive access to Fairbanks s love letters to Pickford she brilliantly illuminates how Fairbanks conquered not just the entertainment world but the heart of perhaps the most famous woman in the world at the time When Mary Pickford died she was an alcoholic self imprisoned in her mansion nearly alone and largely forgotten But she left behind a small box in it worn and refolded were her letters from Douglas Fairbanks Pickford and Fairbanks had ruled Hollywood as its first king and queen for a glorious decade But the letters began long before when they were both married to others when revealing the affair would have caused a great scandal Now these letters form the centerpiece of the first truly definitive biography of Hollywood s first king the man who did his own stunts and built his own studio and formed a company that allowed artists to distribute their own works outside the studio system But Goessel s research uncovered more that Fairbanks s first film appearance was two years earlier than had been assumed that his stories of how he got into theater and then into

films were fabricated that the Pickford Fairbanks Studios had a specially constructed underground trench so that Fairbanks could jog in the nude that Fairbanks himself insisted racist references be removed from his films intertitles and the true cause of Fairbanks's death Fairbanks was the top male star of his generation the maker of some of the greatest films of his era *The Thief of Bagdad* *Robin Hood* *The Mark of Zorro* He was fun witty engaging creative athletic and a force to be reckoned with He shaped our idea of the Hollywood hero and Hollywood has never been the same since His story like his movies is full of passion bravado romance and desire Here at last is his definitive biography based on extensive and brand new research into every aspect of his career and written with fine understanding wit and verve
