*The Art of Digital Coaching* Anshul Shyam, 2024-09-15 The Art of Digital Coaching is a comprehensive guide designed for aspiring digital coaches to thrive in the digital age. This book explores the essential principles, strategies, and tools needed to build a profitable digital coaching business. It emphasizes the importance of niche identification, guiding readers to position themselves as experts and attract the right customers. The book delves into curriculum design, offering practical advice on creating engaging coaching programs and leveraging digital tools for effective sessions. It also covers the technical aspects of setting up a digital coaching platform, from choosing the right Learning Management System (LMS) to integrating automation tools. A significant focus is placed on marketing strategies, such as personal branding and lead generation, ensuring coaches can attract and convert clients. The book also provides insights on scaling operations through automation, outsourcing, and expanding service offerings like group coaching. As part of a broader initiative to empower India's learning ecosystem, this book aims to contribute to making India a more skilled nation. By equipping coaches with the knowledge to deliver high-quality digital education, The Art of Digital Coaching seeks to transform learning and create a new wave of skilled professionals. In summary, this book is an essential resource for anyone aiming to succeed in the digital coaching industry, combining strategic insights with practical guidance to help coaches build a sustainable, scalable, and impactful business.
