*Web of Deceit: How Cyber Crime Now Wears Many Masks* My City Links,2025-05-02 Modern Times Crime takes on a new menacing persona in the cyber era Think before you act This oft repeated adage has taken on a whole new meaning in this digital age where a single wrong click could land you in trouble With each day witnessing new and novel instances of cyber fraud and digital theft the authorities have their hands full trying to prevent more cases and working towards solving the existing ones Our Cover Story demystifies this alarming trend speaking with victims who recount their ordeal as well as law enforcement officials who discuss the steps being taken The name he goes by is as catchy and enigmatic as his steadily expanding body of work In CityZen we catch up with Binaya Kumar Panda as he talks about his experiments with sound music and words Books can provoke deep thought boost your understanding of history culture and people or simply help take your mind off the humdrum of life This World Laughter Day we take you on a fun filled journey with a selection of books that will bring a smile to your faces Find out more in the City Literature section Talking of books the section also delves into the gripping themes of the Shiva Trilogy from celebrated author Amish Tripathi Continuing with our series in City Tales we bring you some interesting insights into the Temple City s Papanasini Tank Read all about its historical and cultural significance Bengaluru formerly known as Bangalore is among the first names that comes to mind when one talks about IT hubs in the country In recent years Bhubaneswar has also emerged as a prominent educational and IT hub However as we find out in City Beat when it comes to comparing the quality of life and lifestyle in the two cities the similarities seem to end here City Health highlights some interesting Yoga concepts that centre around Ayurveda s time tested philosophies about good health and well being At the same time our Food and Wine section looks at traditional drinks from Odisha that are designed to beat the heat in an effective and healthy manner Beyond the initial shock and grief last month s terror attack in Pahalgam continues to anger and agitate minds across the nation We bring you the low down on how things have unfolded so far In Cityflix we take a deep dive into the latest box office sensation Sinners which our reviewer describes as one of the most genre defying films in recent memory **Urban Logistics** Michael Browne,Sönke Behrends,Johan Woxenius,Genevieve Giuliano,José Holguin-Veras,2018-12-03 Approximately 80 per cent of European and American citizens live in an urban environment Due to their large populations and extensive commercial establishments urban areas require large quantities of goods and services for commercial and domestic use This results in increasing levels of demand for freight transport services Freight transport in towns and cities is a major contributor to environmental impacts particularly to local air pollution and noise Urban Logistics addresses public policy makers freight transport companies and receivers of supplies providing them

with the information and guidance to affect change in the logistics of the city Urban Logistics is written by an outstanding team of international editors combining their expertise and using their research from leading business schools in Sweden and the US There are also valuable contributions from academics and industry experts from companies and universities from all over the world The book includes clear examples of initiatives that work and business case developments as well as toolkits for policymakers and managers who are devising new initiatives There is an in depth examination of different aspects of urban logistics such as retail logistics for cities urban food supply chains services and the special logistics requirements involved construction waste management and e commerce and home delivery There is also a focus on networks and partnerships and an analysis of innovation as a new constant
