## **Cyber Monday Fall Boots Best:**

**30 Before 30** Marina Shifrin, 2018-07-24 A charming relatable and hilarious collection of essays documenting a young woman's attempt to accomplish thirty life goals before turning thirty. Something was nagging Marina Shifrin. As a freshly minted adult with student loan payments, a barely hospitable New York apartment, a real job she hated that paid her enough to get by, if she also worked two other jobs, something needed to change. Over a few bottles of Two Buck Chuck, Marina and her friend each made lists of thirty things they'd do before the age of thirty. The first thing on Marina's list was Quit My Shitty Job. So she did, and just like that, the List powered her through her twenties. In **30 Before 30**, Marina takes readers through her list and shares personal stories about achieving those goals. Ranging in scope from the simple Ride A Bike Over the Brooklyn Bridge, Donate Hair to the life-changing Move to A Different Country, Become internet Famous, each story shows readers that we don't all have it figured out, and that's okay. But for Marina, she did become internet famous: a viral video of her quitting her job after moving to Asia has nearly 19 million views on YouTube, and now writes for Comedy Central's hit show *Midnight*. She is also an in-demand stand-up comic and had a very popular Modern Love column published in the New York Times. None of that would have happened if she didn't start her list that night. Thank you, Two Buck Chuck. Told with humor and heart, **30 Before 30** will entertain, motivate, and challenge readers to get out of their comfort zones and live their best lives.
