wide range of contributors share honest narratives of the sometimes impossible conditions that scholars face when completing writing projects The essays provide backstage views of the authors varying approaches to moving forward when the desire to produce wanes when deciding a project is not working when working within and around and redefining academic productivity expectations and when writing with ever changing bodies that do not always function as expected This

collection positions scholarly writers ways of writing as a form of flexible evolving knowledge By exhibiting what is lost and gained through successive rounds of transformation and adaptation over time the contributors offer a sustainable understanding and practice of process one that looks beyond productivity as the primary measure of success Each presents a fluid understanding of the writing process illustrating its deeply personal nature and revealing how fragmented and disjointed methods and experiences can highlight what is precious about writing Beyond Productivity determines anew the use and value of scholarly writing and the processes that produce it both within and beyond the context of the losses constraints and adaptations associated with the COVID 19 pandemic

Social Media and Everyday Life in South Africa

Tanja E Bosch, 2020-11-22 This book explores how social media is used in South Africa through a range of case studies exploring various social networking sites and applications This volume explores how over the past decade social media platforms have deeply penetrated the fabric of everyday life The author considers South Africans use of wearable tech and use of online health and sports tracking systems via mobile phones within the broader context of the digital data economy The author also focuses on the dating app Tinder to show how people negotiate and redefine intimacy through the practice of online dating via strategic performances in pursuit of love sex and intimacy The book concludes with the use of Facebook and Twitter for social activism e g Fees Must Fall as well as networked community building as in the case of the imstaying movement This book will be of interest to social media academics and students as well as anyone interested in social media politics and cultural life in South Africa

Reconceptualizing Early Career Teacher Mentoring as Reggio-Inspired Christina

Hanawalt, Brooke Hofsess, 2023-04-20 Reconceptualizing Early Career Teacher Mentoring as Reggio Inspired presents an innovative approach to early career art teacher mentoring informed by both the philosophy of Reggio Emilia and an ontology of immanence while simultaneously illuminating the experiences of the teacher participants as co inquirers within the contemporary milieu of public education in the United States Readers are invited to travel with a group of teacher educators and early career PK 12 art teachers across a four year journey to experience the evolving nature of a collaborative inquiry through mentoring as research the Teacher Inquiry Group TIG The authors share significant insights regarding what it means to be an early career art teacher especially in an educational climate steeped in neoliberal agendas standardization and accountability and make potent suggestions for re visioning entrenched approaches to mentoring and professional learning that better account for the inherent complexities of teaching in schools Advocating for more complex understandings regarding teacher subjectivity and the contextual forces at work in schools the authors provoke an expanded vision of how mentoring can be imagined practiced and lived in current educational contexts The authors employ key orientations grounded in the Reggio Emilia philosophy to reimagine an under researched and undertheorized area of study in art education early career teacher mentoring that has implications for teachers at all levels and across all disciplines This volume is essential reading for scholars and professionals across the fields of art education teacher preparation teacher

education and mentoring It will appeal to educational researchers K 12 practitioners teacher educators and administrators working with new teachers as well as those interested in mentoring Reggio Emilia professional learning and development art and aesthetic education and emergent process oriented research methodologies *Social Media and the Contemporary City* Eric Sauda, GINETTE Wessel, Alireza Karduni, 2021-11-25 The widespread adoption of smartphones has led to an explosion of mobile social media data more than a billion messages per day that continuously track location content and time *Social Media in the Contemporary City* focuses on the effects of social media on local communities and urban space in a variety of political and economic settings related to social activism informal economic activity public art and global extremism The book covers events ranging from Banksy art installations mobile food trucks and underground restaurants to a Black Lives Matter protest the Christchurch mosque shootings and the Pulse nightclub shooting The interplay between urban space local community and social media in each case study requires diverse methodologies that are both computational i e machine learning social network analysis and natural language processing and ethnographic i e semi structured interviews thematic analysis and site analysis The book views social media not as a replacement for the local community or urban space but rather as a translation of the uses and meanings of all three realms The book will be of interest to students researchers and instructors in a number of disciplines including urban design planning media studies geography and communications

Superfast Sophie Devonshire, 2018-09-20 In today's fast paced world leaders need to move at speed The rate of innovation and change in organisations and the challenges of impatient investors or shareholders mean leadership decisions must be quick smart and deliver real impact *Superfast* provides cutting edge inspiration and a host of exciting ideas about how to accelerate performance in an agile and thoughtful way shedding new light on leading in a world which is fluid and uncertain You'll learn the practical solutions to leadership questions which the most savvy global leaders employ and map your own shortcut to personal and professional success Leadership is not just about moving fast however *Superfast* will show you how to use your time in the smartest most efficient way possible slowing down when necessary to get decisions right and accelerating elsewhere to unlock growth Stop waiting around *Superfast* will give you the tools to lead well and make change happen **#artselfie** Simon Castets, DIS (Organization), 2014 *artselfie* opens with an incisive remark by Douglas Coupland who warns us that Selfies are mirrors we can freeze Selfies allow us to see how others look at themselves in a mirror making their modeling face when nobody's around except these days everybody's around everywhere all the time *artselfie* emerged in 2012 right as the recent photographic phenomenon known as the selfie reached its tipping point It was subsequently activated by New York based collective DIS as an aggregated mode of art tourism and documentation These selfies and their dialogue with art are an opportunity to revisit fundamental questions such as if art is a mirror what happens when we place ourselves between it and the camera The traditional trajectory from photographer to subject via the camera has been subverted and with it the nature of images and our perception of them The *artselfie* makes every participant both protagonist

and collaborator consumer and producer Including an introduction by Douglas Coupland author of Generation X Tales for an Accelerated Culture and ruthless observer of contemporary society and a discussion between Simon Castets director of the Swiss Institute in New York and co founder of the 89 project and DIS artselfie allows us to experience how significant and seductive this viral phenomenon is

All in Her Head Elizabeth Comen, 2024-02-13 Finalist for the 2025 PEN E O Wilson Literary Science Writing Award USA Today Bestseller All in Her Head accomplishes a remarkable feat of storytelling By combining essential medical histories about women s bodies with all the narrative propulsion of a medical thriller Comen has written a must read compelling and important book Siddhartha Mukherjee Pulitzer Prize winning author of The Emperor of All Maladies and The Song of the Cell Wow This book will upend everything you thought you knew about your body while empowering you to make better decisions moving forward Through storytelling extensive research and easy recommendations Dr Elizabeth Comen has given us all a priceless road map to reclaim our agency Eve Rodsky author of Fair Play A surprising groundbreaking and fiercely entertaining medical history that is both a collective narrative of women s bodies and a call to action for a new conversation around women s health For as long as medicine has been a practice women s bodies have been treated like objects to be practiced on examined and ignored idealized and sexualized shamed subjugated mutilated and dismissed The history of women s healthcare is a story in which women themselves have too often been voiceless a narrative instead written from the perspective of men who styled themselves as authorities on the female of the species yet uninformed by women s own voices thoughts fears pain and experiences The result is a cultural and societal legacy that continues to shape the mis treatment and care of women While the modern age has seen significant advancements in the medical field the notion that female bodies are flawed inversions of the male ideal lingers on as do the pervasive societal stigmas and lingering ignorance that shape women s health and relationships with their own bodies Memorial Sloan Kettering oncologist and medical historian Dr Elizabeth Comen draws back the curtain on the collective medical history of women to reintroduce us to our whole bodies how they work the actual doctors and patients whose perspectives and experiences laid the foundation for today s medical thought and the many oversights that still remain unaddressed With a physician s knowledge and empathy Dr Comen follows the road map of the eleven organ systems to share unique and untold stories drawing upon medical texts and journals interviews with expert physicians as well as her own experience treating thousands of women Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come All in Her Head is written with humor wisdom and deep scientific and cultural insight Eye opening sometimes enraging yet always captivating this shared memoir of women s medical history is an essential contribution to a holistic understanding and much needed reclaiming of women s history and bodies

Care Brooke McAlary, 2021-06-16 From the internationally bestselling author of SLOW comes a new call to arms for a new approach to living well for everyone Tiny acts of care are everywhere A smile passed between strangers A moment

spent noticing the light through the leaves A homemade meal shared with friends A parent chasing their child around the park smiles spread on their faces But when the world we live in is overwhelmingly a world of disconnection pain and division it makes sense to ask whether these acts of care beautiful moments of delight connection and kindness that they are really matter at all Brooke McAlary believes they matter In fact she believes they might be some of the most important actions we will ever take Now more than ever we re burnt out heartsick and overwhelmed by a world full of problems that seem too big to fix The solution doesn t lie in caring less and switching off Nor does it lie in caring more and throwing ourselves into further burnout The radical solution is to learn how to care small Tiny even Care The radical art of taking time explores what it means to care in small powerful ways for ourselves our loved ones and our communities and reveals that caring doesn t need to cost us our wellbeing happiness or connection to the world That making simple changes to how we live spending more time in nature putting down our devices and connecting with each other face to face finding awe and wonder in the world around us and remembering how to play will have ripple effects that reach far beyond our own corner of the planet With unwavering compassion and understanding Brooke McAlary takes us on a journey to rediscover the small pleasures that create large ripples reminding us that no one needs to shoulder the burden of doing it all by themselves we only need to cast our eyes forward and start small with care Introduction to Geospatial Technologies Bradley A. Instagram Ideas Install Introduction

In the digital age, access to information has become easier than ever before. The ability to download Instagram Ideas Install has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Instagram Ideas Install has opened up a world of possibilities. Downloading Instagram Ideas Install provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Instagram Ideas Install has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Instagram Ideas Install. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Instagram Ideas Install. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Instagram Ideas Install, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Instagram Ideas Install has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
