3. **How** did the government of Brandt, Schmidt, and Kohl maintain political stability in Germany between 1965 and 1989?

Challenge: Explain one of the retrieval questions.

Opposition And Resistance In Nazi Germany

Ian Dear, Michael Richard Daniell Foot

Opposition And Resistance In Nazi Germany:

Opposition and Resistance in Nazi Germany Frank McDonough,2001-09-06 There was much popular support for Hitler's regime in Nazi Germany and little widespread domestic opposition or resistance. However, a number of individuals and small groups from all sections of society did engage in acts of public defiance or resistance against the regime. This opposition came from the Christian churches, communists, socialists, and industrial workers, conservative groups, elements within the army, students, and the German youth and Jews. This book looks at the nature of this opposition and the historical debate surrounding it.

Nazi Germany Tim Kirk,2006-10-04 Hitler's thousand year Reich lasted barely longer than twelve brief and inglorious years and yet had an impact on millions of ordinary lives scarcely comparable with any other episode in modern European history. *Nazi Germany* examines the origins and development of Nazism, the establishment of the dictatorship, and the impact on Germany's economy, society, and culture of the regime's single-minded drive towards war and genocide. The view from above reflected in the movement's ideology, policy, and legislation is complemented by the many often conflicting views from below as described in the reports smuggled out of Germany by Socialist dissidents or overheard by the regime's spies and policemen. Tim Kirk depicts a society divided where most were initially wary of Hitler and sceptical about his party and its promises, and where even enthusiastic admirers quickly became disgruntled, but where the majority complied and few were inclined to oppose or resist the regime or its brutalities until disillusionment set in and the prospect of defeat was imminent. Approachable and authoritative, this is an essential introduction to one of the most significant periods in German and modern European history.

Germans Against Nazism Francis R. Nicosia, Lawrence D. Stokes,2015-08-01 Rather than being accepted by all of German society, the Nazi regime was resisted in both passive and active forms. This reissued volume examines opposition to National Socialism by Germans during the Third Reich in its broadest sense. It considers individual and organized nonconformity, opposition, and resistance ranging from symbolic acts of disobedience to organized assassination attempts, and looks at how disparate groups such as the Jewish community, churches, conservatives, communists, socialists, and the military all defied the regime in their own ways.

Hodder GCSE History for Edexcel: Weimar and Nazi Germany, 1918-39 John Wright, Steve Waugh,2016-05-09 Exam Board Pearson Edexcel Level GCSE Subject History First teaching September 2016 First exams June 2018 Endorsed for Edexcel. Helps students to maximise their grade potential and develop their exam skills through structured guidance on answering every question type successfully. Builds on our experience publishing popular GCSE History resources, providing you with accurate, authoritative content written by experienced

teachers who understand the content and assessment requirements

The Longman Companion to Nazi Germany Tim Kirk, 1995 Here is a wealth of factual and interpretative information about Germany and German society economy and culture between 1918 and 1945 Tim Kirk's primary concern is with the Hitler years but he sets them in their wider context throughout wherever appropriate the sections span the Weimar Republic and the rise of Nazism as well as the Third Reich itself to illuminate the many continuities in Germany as well as the obvious changes on either side of the political dividing line Purely as a compilation this is a formidable achievement Its usefulness is greatly enhanced by Tim Kirk's admirably level headed commentary whether it is guiding the reader through the everyday domesticities of ordinary people before the war or the mounting horrors of the Third Reich at bay The result which includes information not otherwise available in English is an invaluable study aid within the confines of a single volume of manageable size to a subject that half a century on has lost nothing of its baleful fascination

Hitler's "National Community" Lisa Pine, 2007-04-27 Provides a new and updated examination of German society under the Nazis synthesizing a generation of scholarship to offer new insight into the key debates surrounding the subject Beginning with a focus on Nazi attempts to forge a new national identity and awareness the book goes on to consider the role and fate of all those excluded from this new national community Author Lisa Pine interweaves her analysis of society with a look at the Nazis post war social legacy supplying a fresh overview of a much studied area

Nazi Germany and the American Germanists Magda Lauwers-Rech, 1995 This study discusses the reaction of American Germanists to Nazism and World War II as expressed in academic journals between 1930 and 1946 The collective response was defensive and feeble The professional organizations and the editors of Germanistic journals abstained from comment on the political situation in Germany Yet numerous individuals although a minority expressed their political opinions Some praised Nazi Germany but more exposed its evils As to literature Germanists denounced blatant nationalism and anti-Semitism but they were slow to perceive the connection between philosophical one-sidedness and NS perversions Overall despite some outspoken defenders of Nazi Germany the majority of Germanists did not display Nazi sympathies Rather their weakness was ignoring political realities and a lack of opposition The opportunity to maintain in the U S an independence denied in the heartlands of Germanistik was missed

Engaging with Pearson Edexcel GCSE (9-1) History: Weimar and Nazi Germany, 1918-39 Peter Jackson, 2024-09-27 Trust the power of cognitive science to help students to understand more remember more and feel more confident about their exams This textbook is guaranteed to make learning more effective The approach was created by author and teacher Dale Banham who has amazing knowledge of the best teaching methods and over 30 years classroom experience

- Simplify each topic
- Make learning stick
- Cognitive science techniques such as interleaving retrieval practice and spaced practice support students with processing and remembering the course content
- Strengthen memory through dual coding
- The book contains memory aids that visually summarise key knowledge
- Research proves that we remember something better if it's presented through text and images
- Improve

exam results bThe exam skills required to answer each question type successfully are carefully explained Practice questions revision tips and guidance based on the examiners reports are also includedbr *Adolf Hitler and the Nazi Epoch* Paul Madden,1998-11-05 Although bibliographies do exist that concern themselves with the Nazi period in Germany and the Third Reich no one has yet attempted a complete reference source With the publication of *Adolf Hitler and the Nazi Epoch* there is finally a complete comprehensive reference source designed to identify all English language works that relate to the Nazis and the Third Reich Included in this bibliography are monographs biographies pamphlets and journal articles as well as more general histories of the time period The material is subdivided by subject and organized into eighteen chapters making this large bibliography simple to use The chapter subjects contain a broad range of data Included are chapters on Adolf Hitler himself the origins of national socialism religion and the Nazis articles about education and academics in Germany law and government under the Third Reich the SS and concentration camps everyday life in Nazi Germany foreign policy and more The range of data collected in this one reference location is astounding and should provide a nearly inexhaustible starting point for those scholars and students interested in the history of one of the most controversial political parties and governments of the twentieth century **Victory in Europe, 1945** Arnold A. Offner,Theodore A. Wilson,2000 In this collection senior scholars explore the transit ion from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable **Poland & Germany** ,1958 **The Third Reich** David G. Williamson,D.G. Williamson,2013-11-04 Since publication of the first edition in 1982 David Williamson s *The Third Reich* has become established as one of the most successful books in the Seminar Studies in History series The author draws on up to date scholarship to guide students through the maze of historical controversies concerning the Third Reich and to offer a comprehensive analysis of the key issues of the period In a clear and accessible manner the new edition provides chapters that introduce readers to the historiography of the Third Reich analyse the reasons for Hitler s rise to power look at how the Nazi regime consolidated it s grip on power during the period March 1933 August 1934 explain how Nazi Germany was governed and discuss to what extent Hitler can be viewed as a weak dictator analyse Hitler s economic foreign and social policies in both war and peace up to 1945 as well as the development of Nazi racial and eugenic policies The analysis of these themes is backed up with an increased selection of documents which enable students to discuss the key issues more fully Providing a concise but comprehensive account of the origins course and downfall of the Third Reich this new edition of an already classic text will be an invaluable introduction to the subject for students **Standing Up To Hitler** Norman Ridley,2025-11-25 Resistance in Nazi Germany was a brave but extreme reaction to the totalitarian regime requiring individuals to confront evil face torture and risk death In a country with no tolerance for dissent opposition meant confronting the brutal consequences of one s actions often with little hope of changing the course of events Most stories of German opposition focus on the failed assassination attempt on Hitler on 20 July 1944 by Oberst Claus von Stauffenberg

However this was just one of many plots against the Führer involving military and political leaders who sought peace by eliminating Hitler. Many of these individuals if they had survived might have faced war crime charges at Nuremberg. This book explores both the military and diplomatic figures who resisted Hitler as well as other forms of internal opposition that predated Nazi control of the Reichstag in 1933. It highlights the tens of thousands who were imprisoned, tortured or executed for standing against the dictatorship. The elites who welcomed the end of Weimar democracy were often more willing to accommodate Hitler but many others motivated by religious, political or humane beliefs refused to compromise, showing immense courage and sacrifice. The book also examines the Gestapo's efforts to track down and eliminate these resistance groups.

The German Opposition to Hitler Michael Thomsett, Between 1933 and 1945 more than 500 000 German citizens resisted the Nazi government. Many were imprisoned for political crimes which included both active attempts to remove Hitler from office and passive attempts to oppose the Nazi regime. Resistance was found among university students, churches and even in the German military. This fascinating and compelling history of the German resistance covers groups and methods from underground newspapers such as Rote Kapelle and Internal Front to conspiracy movements within the army that culminated with Operation Valkyrie, a coup d'état and assassination attempt which went terribly wrong. *The Oxford Guide to World War II* Ian Dear, Michael Richard Daniell Foot, 2007. First published in 1995 as The Oxford companion to the Second World War. Verso.

Denazification in the Soviet Occupation Zone of Germany Timothy Richard Vogt, 1997

Youth Activism [2 Volumes] Lonnie R. Sherrod, 2006. This resource describes programs and policies related to activism and civic engagement among youth from a historical and global perspective. It covers the historical aspects of youth activism to the present from chatrooms to grass roots movements from gangs and politics to Riot Grrrls and Campus Crusade for Christ.

The Third Reich, 1933-1945 Louis Leo Snyder, 1987. An annotated bibliography of books and articles published during the 1930s-80s. 850 items mostly English. See especially section 12 pp 221-246. Anti-Semitism and the Holocaust containing 83 items.

Nazism, 1919-1945: The Nazi party, state, and society, 1919-1939 Jeremy Noakes, 1990. This book and its companion second volume make up a unique history of Nazism from 1919 to 1945.

From Indifference to Activism Paul Ansel Levine, 1996
