Truth Is My Weapon:

Sit Yourself In Heaven At Once! Thaddeus Muhammad,2008-10 Sit Yourself In Heaven At Once is a positive affirmation of Black self image psychology designed to erradicate the effects of the teachings of Willie Lynch Many people including some Blacks tend to trivialize this negative effect because of the time elapsed since slavery or because of the shame of this history Yet when we look at the facts Blacks lead in every negative statistic measured on the existence of humans When you look at the senseless crime health issues and the apparant inability to build sustainable community institutions it is obvious to those that are truthful that something is woefully wrong The exceptions only confirm that capability is not the issue The issue is that too many are plagued by poor self images a lack of positive culture that encourages growth and development poor food habits and the confusion of living in a world where one is bombarded with too many negative images of self on a daily and consistant basis This negative sense of self tend to begat negative behavior patterns This is a direct manifestation of undiagnosed and untreated post slavery syndrome This is a direct product of Willie Lynch s teachings which in general was to break the male create a negative imbalance between the male and female by destroying the Black males ability to provide and protect Instill the female with fear for the safety of her children especially her sons which intern limits the range of their vision activity and reach This fear would serve as a debilitating governor that would freeze the confidence of generations and render those affected in their place This system was designed to be self imposed from one generation to the next This book is designed to reverse at the root the thinking that binds too many Blacks in their place Many would choose to condem this work because of some of the content and it s source but they don t know the history and they don t realize the psychological damage done to Blacks living under racism

Biblical Truth and Outdoor Lies: Devotions for the Christian Outdoorsman Black Hills Edition Joshua H. Jones,2008-06-25 In the Black Hills Edition of Biblical Truth Outdoor Lies Pastor Josh Jones artfully draws the outdoor enthusiast into a deeper reflection upon

the intersection of Christian faith and hunting and fishing Pastor Jones wonderfully narrated experiences provide a backdrop that hunters and anglers alike will appreciate Rather than leave the reader with good stories which they are he uses these familiar outdoor experiences to transition into simple yet thoughtful truths gleaned from God s Word Much too often we lose sight of God s love for us in Jesus and disconnect the things we love from the One who loves us In a down to earth language all hunters and anglers will recognize and understand Jones bridges the gap between time in the outdoors and time in God s Word The outdoor enthusiast who works through these thoughtful devotions will see the world in a better way that increases both his thanks for the gift of God s love in Christ and the gifts found in God s creation
