Ts Eliot Prize:

Sometimes I Never Suffered Shane McCrae, 2021-08-03 Sonnets for Albert Anthony Joseph, 2022-06-09 WINNER OF THE T S ELIOT PRIZE FOR POETRY 2022 SHORTLISTED FOR THE FORWARD PRIZE FOR POETRY 2022 LONGLISTED FOR THE OCM BOCAS PRIZE 2023 With Sonnets for Albert Anthony Joseph returns to the autobiographical material explored in his earlier collection Bird Head Son In this follow up he weighs the impact of being the son of an absent or mostly absent father Though these poems threaten to break under the weight of their emotions they are always masterfully poised as the stylish man they depict The Selling and Self-Regulation of Contemporary Poetry J.T. Welsch, 2020-03-31 The Selling and Self Regulation of Contemporary Poetry is the first book length study of the contemporary poetry industry By documenting radical changes over the past decade in the way poems are published sold and consumed it connects the seemingly small world of poetry with the other wider creative industries In reassessing an art form that has been traditionally seen as free from or even resistant to material concerns the book confronts the real pressures and real opportunities faced by poets and publishers in the wake of economic and cultural shifts since 2008 The changing role of anthologies prizes and publishers are considered alongside new technologies new arts policy and re conceptions of poetic labour Ultimately it argues that poetry s continued growth and diversification also leaves individuals with more responsibility than ever for sustaining its communities Kathleen Jamie Rachel Falconer, 2018-11-30 Analyses media representations of riots strikes and protests **The Letters of T. S. Eliot** T. S. Eliot, 2015-07-14 This fifth volume of the collected letters of poet playwright essayist and literary critic Thomas Stearns Eliot covers the years 1930 through 1931 It was during this period that the acclaimed American born writer earnestly embraced his newly avowed Anglo Catholic faith a decision that earned him the antagonism of friends like Virginia Woolf and Herbert Read Also evidenced in these correspondences is Eliot s growing estrangement from his wife Vivien with the writer s newfound dedication to the Anglican Church exacerbating the unhappiness of an already tormented union Yet despite his personal trials this period was one of great literary activity for Eliot In 1930 he composed the poems Ash Wednesday and Marina and published Coriolan and a translation of Saint John Perse s Anabase the following year As director at the British publishing house Faber Faber and editor of The Criterion he encouraged W H Auden Stephen Spender Louis MacNeice and Ralph Hodgson published James Joyce s Haveth Childers Everywhere and turned down a book proposal from Eric Blair better known by his pen name George Orwell Through Eliot s correspondences from this time the reader gets a full bodied view of a great artist at a personal professional and spiritual crossroads Young Eliot Robert Crawford, 2015-04-07 A rich exploration of Eliot s life his grinding labors and excoriating intelligence Edna O Brien The New York Times Book Review The award winning biographer Robert Crawford presents us with the first volume of a comprehensive account of the poetic genius of T S Eliot Young Eliot traces the life of the twentieth century s most important poet from his childhood in St Louis to the publication of his revolutionary poem The Waste Land

Crawford provides readers with a new understanding of the foundations of some of the most widely read poems in the English language through his depiction of Eliot's childhood laced with tragedy and shaped by an idealistic bookish family as well as through his exploration of Eliot's marriage to Vivien Haigh Wood a woman who believed she loved Eliot in a way that destroys us both. Quoting extensively from Eliot's poetry and prose as well as drawing on new interviews, archives and previously undisclosed memoirs, Crawford shows how the poet's background in Missouri, Massachusetts and Paris made him a lightning rod for modernity. Most of all, *Young Eliot* shows us an epoch-shaping poet struggling to make art among personal disasters. Crawford has done exceptional spadework in turning up clues that takes us deeper into Eliot's symbolic landscapes. David Yezzi, *The New York Times Book Review* tracks in enthralling, exhaustive detail the poet's life. No possible connection to Eliot's published work, however faint or distant, goes unnoticed. Michael Dirda, *The Washington Post* The most complex and detailed portrait to date. Micah Mattrix, *The Wall Street Journal* Brilliantly perceptive. Damian Lanigan, *The New Republic*

Life Support Julia Copus, 2019-04-04 100 poems to reach for on dark nights selected by Julia Copus. These are poems to wander about in and commit to memory so they can be stored away in the deep heart's core places to visit and return to at will. Poems that reawaken the senses and offer new ways of looking that unsettle us and reconnect us to the world that surrounds us that bring us to a place of greater clarity. *Life Support* includes a star-studded cast of authors including William Wordsworth, Frank O'Hara, Robert Frost, Denise Levertov and Sylvia Plath, all selected by award-winning poet Julia Copus.

The World Before Snow Tim Liardet, 2015-03-01 In 2013 Tim Liardet met an American poet during a blizzard in Boston and the two began an immediate, life-transforming love affair. *The World Before Snow* was the result. In a book of passionate extremes, the self-portrait itself reinvented, documents the ways in which a very particular species of love can allow for the rediscovery of identity as all fragments of persona put forth to the world are stripped down to expose the raw self. **Signs, Music** Raymond Antrobus, 2024-09-12 SHORTLISTED FOR THE T.S. ELIOT PRIZE FOR POETRY. POETRY BOOK SOCIETY CHOICE. I became fatherless at 26 and a father at 35 and whenever I look out the living room window I feel myself become the child left alone in the house. Centred around two lyric poems on imminent fatherhood and the birth of a child, *Signs Music* is a book about masculinity, fatherhood and love. The speaker looking backwards to his late father and forwards to his new son prepares to become a parent for the first time. Meditating on the cognitive and emotional dissonances between the hypothetical and the real of becoming a father, this irreversible transition causes the poet's lines to lead towards my father again. Charting the ways parenthood disrupts the poet's sense of self and how the pain of the past triggers fears of fatherly failure, *Signs Music* is a staggeringly profound collection from one of Britain's most adept poets writing today. This is transformative writing creating a new cultural landscape. Antrobus makes us hear between the lines through poems well-crafted with emotional intelligence. Linton Kwesi Johnson, Mark Oakley and Clare Shaw, judges of the 2018 Ted Hughes Prize.
