Lowry, 2016-09-01 Taking a global and multidisciplinary approach The SAGE International Encyclopedia of Travel and Tourism brings together a team of international scholars to examine the travel and tourism industry which is expected to grow at an annual rate of four percent for the next decade In more than 500 entries spanning four comprehensive volumes the Encyclopedia examines the business of tourism around the world paying particular attention to the social economic environmental and policy issues at play The book examines global regional national and local issues including transportation infrastructure the environment and business promotion By looking at travel trends and countries large and small the Encyclopedia analyses a wide variety of challenges and opportunities facing the industry In taking a comprehensive and global approach the Encyclopedia approaches the field of travel and tourism through the numerous disciplines it reaches including the traditional tourism administration curriculum within schools of business and management economics public policy as well as social science disciplines such as the anthropology and sociology Key features include More than 500 entries authored and signed by key academics in the field Entries on individual countries that details the health of the tourism industry policy and planning approaches promotion efforts and primary tourism draws Additional entries look at major cities and popular destinations Coverage of travel trends such as culinary tourism wine tourism agritourism ecotourism geotourism slow tourism heritage and cultural based tourism sustainable tourism and recreation based tourism Cross references and further readings A Reader s Guide grouping articles by disciplinary areas and broad themes [Lifelong Learning for Tourism](#) Violet V. Cuffy, David Airey, Georgios C. Papageorgiou, 2017-09-07 Since the middle of the last century tourism has demonstrated almost continual growth with international tourist arrivals now recorded in excess of one billion per annum Given the global socio economic significance of tourism it is imperative to develop educational opportunities for those working in tourism related industries These opportunities should fulfil the changing needs of both industry travellers and the learners themselves While the concept of lifelong learning in the tourism industry plays an important role it has received little academic attention to date This book provides a theoretical overview of lifelong learning for tourism exploring its history practice and conceptualization It demonstrates the importance of lifelong learning for tourism from a variety of perspectives drawing on educational industry policy and socio economic insights The book explores managerial and political implications critical issues best practice examples and draws on a range of international case studies to demonstrate theory in practice Finally it offers a conceptual framework for future curriculum approaches This book will be of interest to students

scholars and practitioners of tourism studies hospitality business and management and international development It will also appeal to those interested in adult education vocational training professional development and pedagogy

The SAGE Encyclopedia of Online Education Steven L. Danver, 2016-09-20 Online education both by for profit institutions and within traditional universities has seen recent tremendous growth and appeal but online education has many aspects that are not well understood The SAGE Encyclopedia of Online Education provides a thorough and engaging reference on all aspects of this field from the theoretical dimensions of teaching online to the technological aspects of implementing online courses with a central focus on the effective education of students Key topics explored through over 350 entries include Technology used in the online classroom Institutions that have contributed to the growth of online education Pedagogical basis and strategies of online education Effectiveness and assessment Different types of online education and best practices The changing role of online education in the global education system

International Handbook on Ecotourism Roy Ballantyne, Jan Packer, 2013-01-01 Roy and Jan have assembled a timely snapshot of our current understanding of ecotourism both as a concept worthy of scientific inquiry and as an increasingly significant segment of global commerce and industry A terrific piece of work Sam Ham University of Idaho US In the 30 or so year since it became established in the tourism literature and in tourism practice ecotourism has attracted as many proponents as opponents This Handbook now brings together some of the leading scholars worldwide in this field to explore the current position of this form of tourism In doing so it offers serious critiques it explores meanings and paradoxes it offers best practices and it looks to the future It is the Handbook for one of tourism's fastest growing and controversial sectors David Airey University of Surrey UK This is a most welcome and needed book With a very strong editorial team and contributing authors the Handbook covers all the key issues of ecotourism It cuts through the confusion surrounding the much misunderstood concept of ecotourism clearly dealing with definitions concepts and research issues The Handbook is particularly welcome for its focus on the visitor experience a strength of the editors and for clearly linking the theory of ecotourism with practice in the field Christopher Cooper Oxford Brookes University UK This Handbook brings together contributions from over forty international experts in the field of ecotourism It provides a critical review and discussion of current issues and concepts it challenges readers to consider the boundaries of what ecotourism is and could be The Handbook provides practical information regarding the business of ecotourism insights into ecotourist behaviour and visitor experiences and reflections on the practice of ecotourism in a range of different contexts The Handbook is designed to be a valuable reference book for tourism scholars and researchers
