INQUIRIES INTO EDUCATION:

COMPLEXITY, CHANGE, AND THE CONTEMPORARY CONDITION PROF. DR. MUHLİSE COŞGUN ÖGEYİK, Assoc. Prof. Dr.

Kutay Uzun, 2025-08-25 The world of education is continuously changing a complex and dynamic environment where old

ideas meet new challenges This book *Inquiries into Education Complexity Change and the Contemporary Condition* is a collection of research that deals with some of the most important issues in education today The chapters explore a variety of topics from the subtle details of language learning to the effect of technology on education and the need for inclusive teaching practices The studies in this volume work together to help us understand and navigate these complex topics The focal point of some of the studies is second language acquisition exploring its theories and practical implications They investigate the strategies that help future teachers improve their speaking skills and examine the relationship between linguistic complexity and writing quality in L2 English Furthermore less obvious issues such as organizational silence among foreign language teachers and the key role feedback plays in developing pedagogical content knowledge are also addressed The volume also takes on bigger themes within the scope of education The role of artificial intelligence in the development of L2 English speaking skills and how mindfulness can create a more centered and effective learning experience are also discussed In addition important social issues such as how preschool teacher candidates feel about inclusive education and refugee students and how functional language is used in a 12th grade English textbook are also examined Each chapter is its own investigation but together they form a conversation about the current issues in education They ask questions regarding how we should react to change and how we can handle complexity without feeling overwhelmed The answers are not simple but they are encouraging They suggest that through careful research and thoughtful teaching we can continue to build a better fairer and more humane educational environment iv We are grateful to the authors for their meticulous work which has made this book a valuable resource for educators researchers and students We hope you will find their insights useful and inspiring Prof Dr Muhlise Co gun geyik Assoc Prof Dr Kutay Uzun **State-adopted Textbooks in Florida** ,1969
