

AQA A LEVEL LAW 2021
PAPER 1 – THE NATURE OF LAW & THE ENGLISH
LEGAL SYSTEM (CRIMINAL LAW)
MODEL ANSWERS AND REVISION EXERCISES

The format of the AQA A Level Law Specification requires candidates to take **three** examination papers. Papers 1 and 2 are compulsory. These are on **Criminal Law** and on the **Law of Tort**, respectively. In addition, you will then need to take either Paper 3A on **Contract Law** or Paper 3B on **Human Rights**.

Model Answer guides have been produced for all of these papers. Scan the QR Code at the end of this Handout to obtain details or use the website address provided.

The format of all papers is the same: **11 structured questions** which, generally speaking, get progressively harder as you move through the papers.

All papers are **2 hours in length**, and you should be careful to divide your time appropriately for each of the questions e.g. do not spend half an hour on a question which is only worth 5 marks!

On each paper, **Questions 1 – 5 are multiple choice questions**, where you select the most appropriate answer out of a choice of four. You will not be required to write anything for these answers. You simply indicate your answer by filling in a box next to the answer you want to give.

Question 6 will be a “short answer” question about a factual aspect of criminal law. It will usually require two facts to be provided. It will be worth **5 marks** and you should spend approximately **5 minutes** writing your answer.

Question 7 will also be a “short answer” question, again worth **5 marks**. This time, the question will require some form of **brief application of the law**. It will normally involve an incident of just one or two lines, and you will be required to suggest an offence or briefly outline an actus reus etc. There is a temptation to spend too much time on these questions. It is only worth **5 marks** and therefore only spend approximately **5 minutes** on it.

Question 8 is a longer question worth 10 marks. Again, it will be an **application question**. You will need to read through a short scenario (about a paragraph in length) and you will need to suggest an offence (or perhaps two
