The Book in Three Sentences

The only thing you have that nobody else has is control of your life. The hardest thing of all is to learn to love the journey, not the destination. Get a real life rather than frantically chasing the next level of success.

A Short Guide To Happy Life Anna Quindlen Enrych:

A Short Guide to a Happy Life Anna Quindlen, 2001-04-01 1 New York Times bestselling author Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any occasion. Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be wonderful if they came to us unsummoned but particularly in lives as busy as the ones most of us lead now that won't happen. We have to teach ourselves now to live, really live, to love the journey, not the destination. In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to get a life to live deeply every day and from your own unique self rather than merely to exist through your days. Knowledge of our own mortality is the greatest gift God ever gives us. Quindlen writes because unless you know the clock is ticking, it is so easy to waste our days, our lives. Her mother died when Quindlen was nineteen. It was the dividing line between seeing the world in black and white and in Technicolor. The lights came on for the darkest possible reason: I learned something enduring in a very short period of time about life. And that was that it was glorious and that you had no business taking it for granted. But how to live from that perspective to fully engage in our days. In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living. *Summary of Anna Quindlen's A Short Guide to a Happy Life* Everest Media, 2022-05-28T22:59:00Z. Please note: This is a companion version, not the original book.

Sample Book Insights

- 1 Get a life. Do not take life for granted. Live by the words of this poem by Gwendolyn Brooks: Get a life in which you are not alone. Find people you love and who love you.
- 2 We can waste our lives by taking for granted the pale new growth on an evergreen, the sheen of the limestone on Fifth Avenue, the color of our kids' eyes, or the way a symphony rises and falls and disappears and rises again.
- 3 I learned to live many years ago. Something bad happened to me, but I learned to love the journey, not the destination. I learned that this is not a dress rehearsal and that today is the only guarantee you get. I learned to look at all the good in the world and try to give some of it back.
