**EBK: Services Marketing: Integrating Customer Service Across the Firm 4e** Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and uses up-to-date and topical examples; the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes new content related to human resource strategies, including coverage of the role of robots and chatbots for delivering customer-focused services. New coverage on listening to customers through research, big data, netnography, and monitoring user-generated content. Increased technology, social media, and digital coverage throughout the text, including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies, including Turkish Airlines, Volvo EasyJet, and McDonald's. Available with McGraw-Hill's Connect, the well-established online learning platform which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

**Preventing Credit Card Fraud** Jen Grondahl Lee, Gini Graham Scott, 2017-03-17 Everyone is affected by credit card fraud, if they are aware of it or not. Every day there are a variety of ways that scammers and fraudsters can get your card and personal information. Today so much business occurs over the Internet or via the phone where no card is present. What can start as a seemingly legitimate purchase can easily turn into fraudulent charges or worse, sometimes a physical confrontation when a criminal steals a credit card from a consumer who meets to pick up a product or receive a service. In *Preventing Credit Card Fraud*, Jen Grondahl Lee and Gini Graham Scott provide a helpful guide to protecting yourself against the threat of credit card fraud. While it may not be possible to protect yourself against all fraudsters who have turned scamming Internet businesses into an art, these tips and techniques will help you avoid many frauds. As a growing concern in today's world, there is a need to be better informed of what you can do to keep your personal information secure and avoid becoming a victim of credit card fraud. *Preventing Credit Card Fraud* is an important resource for both merchants and consumers engaged in online purchases and sales to defend themselves against fraud.
