Dear Client Tax Goddess:

Income Tax I - Individual Michael R. Asimow,1998-08 **Income Tax D.** Steven Brewster,1998 **Death Warmed Over** Patti Larsen,2020-09-11 Would using magic to entice my client to tell me what she wanted make me a bad person Because after my third visit to her rather ostentatious mansion on the edge of town sketching seemingly endless variations of poses I could have easily done from photos instead of live sittings I was ready to tell her I was donezo Charlotte Easton didn't seem to notice my growing irritation at yet another wasted two hours watching her fiddle and fidget in the dark blue gown she chose from a long line of clothing already worn and then discarded substantial bosom on the verge of bursting from the low cut satin making me wince as she shifted yet again on the crushed velvet daybed she'd decided after many other locations had been sampled and rejected was today's selection for my fresh torment Listen I'm a patient person for the most part But sheesh already Phoebe Monday's portrait commission turns to murder when her client's father turns up dead The problem with that scenario He's been six feet under for over a year already and not even her magic can figure out what made him rise from the grave welcome to the Phoebe Monday Paranormal Cozies paranormal cozy paranormal cozy mystery paranormal cozy mysteries witch book series witch book series fiction witch books witch books fiction Business Dharma S J RAGUNATHAN,2025-09-20 What if your balance sheet could become your blessing sheet In a noisy world chasing fast profits and louder marketing Business Dharma is a quiet revolution Not a textbook but a sacred mirror this book invites entrepreneurs leaders and seekers to transform their business into a path of purpose peace and legacy Through 12 soulful chapters and a 90 day practical playbook S J Raganathan Forensic Accountant Dharmic Builder and founder of auditorsaab guides you on how to align your numbers with your inner clarity From cash flow rituals to succession as a family celebration from team prayers to profit as prasadam this is a new kind of business book one where Lakshmi meets logic and spreadsheets become spiritual tools If you're ready to build wealth that purifies not just multiplies this book will walk with you Quietly Clearly Eternally *Theatre Tales* David John Clive,2001-04-29 It is widely believed that if you mention anything to an actor that happened more than twenty years ago he or she will either laugh or cry The point being that events in the show business tend to attain a larger than life quality at least to the participants either sadder or funnier than they would be if normal people were involved I have earned a precarious living in various facets of the profession for nearly forty years while observing with wonder these often bizarre moments It seemed a waste to have them all disappear when I do Therefore in the interest of preserving a record of the antics of my fellow workers from Ethel Merman to Bernard Wu I dedicate this book If you enjoy reading it half as much as I enjoyed living it I will consider the effort eminently worth while Truth ,1893
