Demon Hit List John Eckhardt,2009-10-01 Identifying the enemy is the key to casting him out John Eckhardt has created the ultimate deliverance thesaurus to help believers know the specific names and attributes of demons so they can become more successful in casting them out We fear the unknown but there is power in identification The demons unmasked in this thesaurus are well aware that they are subject to the name of Jesus the name above every name By identifying demons the believer strips them of their power and exhibits Christ s authority over every demon Don t run from the devil begin casting out the enemy and stand victorious with Jesus Christ

40 Questions About Angels, Demons, and Spiritual Warfare John R. Gilhooly,2018-10-30 In 40 Questions About Angels Demons and Spiritual Warfare John Gilhooly provides a biblical and balanced perspective on the many issues surrounding the spiritual realm Using a question and answer format he explains spiritual warfare angels and demons the role of Satan models and practices for spiritual warfare and topics related to the occult Beneficial as a comprehensive overview or as a reference guide to particular subjects this volume provides concise but thorough answers to many important questions including Do believers have guardian angels Can Christians be demon possessed Are there territorial spirits Why and when did the devil fall from heaven What is the role of prayer in spiritual warfare Are there such things as spiritual curses

The Reality of the Kingdom of Demons Dr. H. Clifton Black,2014-07-03 Spiritual warfare is not a game and the devil is not an innocent puppy He is the master deceiver thief and murderer and the force behind nearly all evil He is full of all kinds of cruelty pain curses and blight known to the human family To survive his attacks you must realize that the devil is a real enemy hell bent on destroying you I challenge you to get serious today about determining methods to rebuke him and keep him from hindering your service to the Lord Where did Satan come from Did God create the Devil Is God responsible for evil Such questions plague the individual who wrestles with the existence of our adversary in the light of the Bible s revelation of the holiness of God Philosophy can never give a satisfactory answer to these questions The only satisfying answer is God s answer found in his Word If we are going to combat this enemy known as Satan then we must know his motives and his methods Our goal in this book is to resolve this and answer many other questions as we talk about every believer s responsibility in spiritual warfare

The American Renaissance Reconsidered Walter Benn Michaels,Donald E. Pease,1989-09 The term American Renaissance designates a period in our nation s history when the literary classics appeared works original enough to mark a beginning for America s literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation s secular

history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn The American Renaissance Reconsidered examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America s secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman *Talking Back* Evagrius Of Pontus,2009-08-01 How did the monks of the Egyptian desert fight against the demons that attacked them with tempting thoughts How could Christians resist the thoughts of gluttony fornication or pride that assailed them and obstructed their contemplation of God According to Evagrius of Pontus 345-399 one of the greatest spiritual directors of ancient monasticism the monk should talk back to demons with relevant passages from the Bible His book *Talking Back Antirrhetikos* lists over 500 thoughts or circumstances in which the demon fighting monk might find himself along with the biblical passages with which the monk should respond It became one of the most popular books among the ascetics of Late Antiquity and the Byzantine East but until now the entire text had not been translated into English From *Talking Back* we gain a better understanding of Evagrius s eight primary demons gluttony fornication love of money sadness anger listlessness vainglory and pride We can explore a central aspect of early monastic spirituality and we get a glimpse of the temptations and anxieties that the first desert monks faced David Brakke is professor and chair of the Department of Religious Studies in the College of Arts and Sciences of Indiana University He studied ancient Christianity at Harvard Divinity School and Yale University Brakke is the author of *Athanasius and Asceticism* and *Demons and the Making of the Monk Spiritual Combat in Early Christianity* and he edits the *Journal of Early Christian Studies* **Are Demons Real?** Evangelist Shirley Waters,2010-03 Evangelist Shirley Waters is a born again spirit filled God fearing servant of God who loves helping others and showing true love to all mankind She started teaching at age six At the age of two she started singing solos and at the age of four she started singing in the church choir It was at the age of seven when she gave her life to Christ at the age of fifteen when she received the gift of the Holy Ghost and accepted her calling as an evangelist She grew up very active in the church as a Sunday school teacher secretary choir member usher and Junior Women Instructor She s often called upon to render services revivals singing workshops and speaking for all occasions Her number one conversation is about Jesus and his love Her answer to others when they are going through is Let s pray to see what God has to say about this or that She is a dedicated woman who has been called out and anointed by God one who has been tried in the fire She has served as a

Bailey,2010-11-01 It was during the late Middle Ages that the full stereotype of demonic witchcraft developed in Europe and this is the subject of this volume which places the Dominican theologian Johannes Nider at the centre of an emerging set of beliefs about diabolical sorcery and witchcraft in the 15th century
