**Checking His Heart** Unknown,2026-02-28 I thought I was moving in with three regular hockey players I was so so wrong Elliot Reid needed a place to live Fast Transferring mid semester left him desperate broke and willing to take whatever he could get When three Division I hockey players offered him their spare room for cheap he jumped at it Ash Novak the intense team captain who cooks breakfast and runs the house like a military operation Bray Sullivan the golden retriever defenseman who makes everyone laugh and touches like it's second nature Tyler Cross the quiet goalie who sees everything and says just enough to make Elliot's heart race They seemed close Really close Elliot figured it was just hockey brotherhood Guys being guys Then he walked in on them Hands everywhere Mouths finding each other No shame No hesitation Just the three of them tangled together like it was the most natural thing in the world They didn't stop Didn't apologize Just looked at him like they'd been waiting Now everything's different The casual touches that linger too long The heated looks across the dinner table The way they make space for him on the couch their hands

finding his like it belongs there Bray s thumb tracing circles on his shoulder during movie night Tyler fixing his collar before class fingers brushing his neck Ash pulling him into post practice stretches hands warm and steady and impossible to ignore They want him All three of them Together And the terrifying part Elliot wants them back He s never been with a guy Never questioned his sexuality Never imagined his life could look like this messy and complicated and nothing like the safe path he d planned But living with them is making him question everything he thought he knew about himself About what he wants Who he wants What love can look like when you stop forcing it into boxes that don t fit When an anonymous threat puts everything at risk their relationship his career their shot at championship Elliot has to choose Play it safe and walk away from the best thing that s ever happened to him Or risk everything for three hockey players who ve already claimed his heart

**Wrecked Forbidden Hearts** John Steven Shem,2026-01-13 He came to destroy me I let him because I thought I deserved it Tyler Brennan has it all Star defenseman NHL scouts watching his every move A future so bright it hurts to look at But two years ago the person he loved took his own life And Tyler knows it s his fault He was too scared to love openly Too afraid to choose the boy who gave him everything And

now Caleb is gone and Tyler can't breathe past the guilt crushing his chest. So when Caleb's brother shows up at Blackthorne University as the new assistant coach, Tyler recognizes the rage in those cold gray eyes. He knows what Evan Carter wants: Revenge. And Tyler is going to let him have it. I planned every detail of his destruction. Evan Carter doesn't believe in forgiveness. His baby brother is dead because of Tyler Brennan's cowardice. Because Tyler was too concerned with his image, his career, his reputation to love Caleb the way he deserved. So Evan takes a coaching job at Blackthorne with one goal: make Tyler suffer. He has the perfect plan. The perfect position. The perfect leverage. What he doesn't have: A plan for what happens when the boy he came to break starts looking at him like he's the only thing keeping him alive. What he doesn't expect: To start caring whether Tyler survives or shatters. What he can't control: The way his need for revenge is turning into something he definitely shouldn't feel. Hate feels a lot like love when it cuts this deep. Their arrangement is simple: Tyler accepts the punishment, Evan delivers it. They both pretend it's justice instead of something darker. Something neither of them knows how to name. But lines blur when grief becomes need. When pain becomes a connection. When the boy you came to destroy becomes the only person who truly sees you. Now they're standing at the edge of something that could save them both or ruin everything they've worked for: His hockey career, Evan's coaching position, their reputations, their futures. Everything is on the line. And they have to decide: is love worth the cost? Or will their wrecked, forbidden hearts destroy them before they get the chance to find out.
