Trevor Jensen, 2026-02-09 In The Resonance Decree the bond that once cut Jessa and Commander Rhys open in private becomes something far worse in public a signal After the bloodbound scandal that should have destroyed them the Collegium doesn t simply punish Jessa It repurposes her Rumors spread of a forbidden resonance slipping into the upper air a pattern only the bound can feel only the condemned can follow And when Jessa senses it she realizes the truth with icy clarity the empire has turned her bond into a leash and someone is tugging the chain from far above Rhys is ordered to escort her into the sky cities where the Collegium keeps its cleanest lies its brightest relics and its darkest prisoners Jessa is told she s being protected Rhys is told he s containing a threat Neither of them believes a word Not anymore Because the closer they get the harder it becomes to tell what s real A message hidden in the resonance A name that should be dead A set of records rewritten in perfect ink And a shadow network that doesn t want Jessa saved it wants her activated Trust is already fragile between them Desire makes it worse The bond spikes when fear rises when anger flares when her pulse stutters at the sound of his voice in the dark Every time they reach for each other the bond answers with heat and pain as if it s warning them this is what the Collegium is listening for Now Jessa has one chance to end it To sever the chain before it tightens around her throat before the skies themselves become a cage before the bond rewrites her into something she can t recognize But to break a weapon you have to get close enough to touch the blade And the man she can t fully trust may be the only one willing to bleed beside her Book 2 of The Sovereign Bond Trilogy delivers higher stakes deeper secrets and a bond that is no longer just forbidden but hunted Perfect for readers who love forced proximity with razor edged tension a dangerous magical bond that won t stay quiet ruthless institutions hidden archives and conspiracies in plain sight slow burn yearning that turns feral under pressure
