Winning the Right Game Ron Adner,2021-10-05

How to succeed in an era of ecosystem based disruption strategies and tools for offense defense timing and leadership in a changing competitive landscape

The basis of competition is changing

Are you prepared

Rivalry is shifting from well defined industries to broader ecosystems

automobiles to mobility platforms

banking to fintech

television broadcasting to video streaming

Your competitors are coming from new directions and pursuing different goals from those of your familiar rivals

In this world succeeding with the old rules can mean losing the new game

Winning the Right Game introduces the concepts tools and frameworks necessary to confront the threat of ecosystem disruption and to develop the strategies that will let your organization play ecosystem offense

To succeed in this world you need to change your perspective on competition growth and leadership

In this book strategy expert Ron Adner offers a new way of thinking illustrating breakthrough ideas with compelling cases

How did a strategy of ecosystem defense save Wayfair and Spotify from being crushed by giants Amazon and Apple

How did Oprah Winfrey redraw industry boundaries to transition from television host to multimedia mogul

How did a shift to an alignment mindset enable Microsoft s cloud based revival

Each was rooted in a new approach to competitors partners and timing that you can apply to your own organization

For today s leaders the difference between success and failure is no longer simply winning but rather being sure that you are winning the right game
