A Book Of Verses:

A Book of Verses James Lawler, 2009-03-04 My book of verses is a collection of poems I have written throughout the years Some are inspired by events in my life Others are purely figments of my imagination I write about people I have encountered news event the way I see the world and the things around me anything and everything that inspires me I try not to offend anyone by making blanket statements or speaking in absolutes The way I see the world is strictly from my point of view and not intended to be construed as factual I might appear to be preaching from a soap box at times I hope not but we all see the world in different ways I write about the way I see it My poems are intended for anyone that can open a book I attempt to add a bit of humor a little drama a lot of love a touch of evil In essence I have mixed a variety of ingredients together to make it interesting The purpose of my poetry is to hopefully take the reader away from reality for a while Its intended to relax the mind for a spell I believe that is the purpose of a book It is like a fountain of knowledge where the thirsty mind can be quenched It can be a companion for the lonely at heart an oasis in the midst of reality where one can escape for a while Poetry is my passion Its my escape from reality my high so to speak a tranquilizer to combat lifes stressful moments
