**The Cold War Era** ,2019 **Defending Democracy in Cold War Finland** Marek Fields,2019-12-02 In *Defending Democracy in Cold War Finland* Marek Fields offers a thorough account on the various informational and cultural strategies Britain and the United States used during the early Cold War decades in order to increase their influence and contain communism in Finland The book shows that by using propaganda and cultural diplomacy in an exceptionally challenging environment the two Western powers were able to achieve their main objectives in the region i e to defend democracy and strengthen Finland s attachment to the West surprisingly well Making use of a large variety of British American and Finnish archives Fields proves that the Western countries interest in Finland during the Cold War was stronger than it has previously been realised [Polish-Austrian Relations at the End of the Cold War, 1980–1989](#) Agnieszka

Kisztelińska-Węgrzyńska,2024-08-13 This book proposes a new historical framework for the analysis of the relationship between communist Poland and neutral Austria during the final decade of the Cold War The tragic Polish crisis of 1980 1982 is examined within the context of Poland s relationship with the wealthy neutral country of Austria By exploring the political meetings and negotiations that took place around the introduction of martial law in Poland this book sheds light on Polish Austrian bilateral relations as seen from the perspective of Polish diplomatic documents Divided into three parts the book begins by illustrating Austria s attitude to reforms in Poland in the early 1980s The second part focuses specifically on the imposition of martial law in Poland and the third part explores the cooperation between the two countries through the form of investments and environment protection Particular emphasis is placed on Polish attempts to recruit Austrian politicians in order to overcome the political isolation in which Warsaw found itself after December 13 1981 The author analyses the political boundaries that Austria could and wanted to cross in order to help the Polish regime offering insights into Austria s fears of financial loss as a result of the collapse of the regime **New East-bloc Evidence on the Cold War in the Third**
