The Dalai Lama's Cat and the Four Paws of Spiritual Success David Michie, 2019-11-19 The Dalai Lama's Cat is back Latest title in the ever popular and bestselling series The Dalai Lama's Cat is back irreverent vain and delightfully insightful as ever When the Dalai Lama's inner circle is set the task of providing His Holiness with a book he can give his visitors an unexpected volunteer stretches out her paws The book is to summarise the four key elements of Tibetan Buddhism and importantly to communicate how it feels to be in the profoundly reassuring presence of His Holiness Who better to do this than his much loved feline Through encounters with celebrity visitors and her own intriguing adventures the Dalai Lama's Cat explains all four key themes not so much as ideas but as practices to be embodied Along the way she even gets a new title Therapy Cat If you have ever sought a summary of Tibetan Buddhist wisdom albeit from an unusual and whiskery source this may just be the book to get you purring

The Dalai Lama's Cat David Michie, 2012 A stray cat is rescued and brought to live with the Dalai Lama and upon observing the many visitors that pay their respects to the holy man learns what it means to achieve peace and happiness in a materialistic world

[The Dalai Lama's Cat and the Claw of Attraction](#) David Michie, 2023-11-14 The Dalai Lama regarded their flushed animated faces his forehead wrinkling The materialist approach he nodded Seeking to change what you believe to be entirely outside you It has many problems For example why must you constantly postpone your happiness India's Top Ten Social Influencers Under 30 were taken aback by this question Staring at him their eyes filled with consternation Postponing

happiness was something they most definitely wanted no part of For example if our happiness depends on having the new diamante sunglasses he chuckled Or the perfect boyfriend he beamed from the girl dressed in crimson to the one in emerald green Or having ten million followers he nodded at the woman in the yellow sari What do we do until then If we are constantly yearning for material things that we don't have yet then our happiness is always around the corner Or at the top of the next mountain Why do you not wish to be happy here and now Without needing anything else Happy as I am In a chance encounter with India's Top Ten Social Influencers the Dalai Lama is asked to how to use the law of attraction to manifest abundance He points out that material wellbeing was never the goal of such practices as he begins to explain their true purpose It is a purpose that His Holiness's Cat goes on to explore with her usual warm hearted and wonky legged aplomb Is the world much more a projection of our mind than we suspect Can a few precious insights transform our reality In a drama of intimate revelations as well as panoramic visions of encounters with much loved friends along with intriguing newcomers the Dalai Lama's Cat comes to discover that The Claw of Attraction holds the key to a more sublime transcendence than she ever believed possible Stretch out your own talons dear reader and you may too [The Dalai Lama's Cat and the Art of Purring](#) David Michie,2013-11-28 What makes you purr Of all the questions in the world this is the most important It is also the great leveler Because no matter whether you are a playful kitten or a sedentary senior a scrawny alley Tom or a sleek coated uptown girl whatever your circumstances you just want to be happy Not the kind of happy that comes and goes like a can of flaked tuna but an enduring happiness The deep down happiness that makes you purr from the heart Before leaving for a teaching tour to America the Dalai Lama poses a challenge to his beloved feline HHC His Holiness's Cat to discover the true cause of happiness Little does she know what adventures this task will bring A hair raising chase through the streets of McLeod Ganj leads to an unexpected revelation about the perils of self obsession An encounter with the mystical Yogi Tarchen inspires a breakthrough discovery about her past one with dramatic implications for us all And overheard conversations between ivy league psychologists high ranking lamas and famous writers who congregate at the Himalaya Book Caf help her explore the convergence between science and Buddhism on the vital subject of happiness Sparkling with wisdom warmth and a touch of mischief The Dalai Lama's Cat and the Art of Purring is a charming reminder of why HHC is becoming one of the most loved cats around the world So what is the true cause of purring The Dalai Lama whispers this secret on his return only for the ears of HHC and those with whom she has a karmic connection that dear reader means you **The Power of Meow** David Michie,2015-06-16 Take a peek inside the mind of a delightfully imperfect creature on the path to enlightenment In the latest instalment of the Dalai Lama's Cat series readers escape to the enchanting and exotic world of the Dalai Lama's monastery in the Himalayas His Holiness's Cat HHC is on a mission to think less to experience more to live in the moment She soon learns the proper phrase for this being mindful or a concept better known to her as the power of meow What ensues is a journey to discover her own true nature to gain a deeper understanding

of her mind and to experience life's greatest joy here and now. By accompanying HHC on her journey you will learn new ways to relate to your own mind, slowing down, finding peace, and abiding in the boundless radiance and benevolence that is your own true nature.

The Dalai Lama's Cat David Michie, 2021-11-30. Oh, how adorable! I didn't know you had a cat, she exclaimed. I am always surprised how many people make this observation. Why should His Holiness not have a cat? If only she could speak, continued the actress. I'm sure she'd have such wisdom to share. And so the seed was planted. I began to think that perhaps the time had come for me to write a book of my own, a book that would convey some of the wisdom I've learned sitting not at the feet of the Dalai Lama but even closer, on his lap. A book that would tell my own tale, how I was rescued from a fate too grisly to contemplate to become the constant companion of a man who is not only one of the world's greatest spiritual leaders and a Nobel Peace Prize Laureate but also a dab hand with a can opener. Starving and pitiful, a mud-smeared kitten is rescued from the slums of New Delhi and transported to a life she could have never imagined. In a beautiful sanctuary overlooking the snow-capped Himalayas, she begins her new life as the Dalai Lama's cat. Warmhearted, irreverent, and wise, this cat of many names opens a window to the inner sanctum of life in Dharamsala. A tiny spy observing the constant flow of private meetings between His Holiness and everyone from Hollywood celebrities to philanthropists to self-help authors, the Dalai Lama's cat provides us with insights on how to find happiness and meaning in a busy, materialistic world. Her story will put a smile on the face of anyone who has been blessed by the kneading paws and bountiful purring of a cat.

The Art of Purring David Michie, 2013-11-28. The Dalai Lama's cat is back, older, a bit wiser, and as curious as ever. What makes you purr? Of all the questions in the world, this is the most important. Because no matter whether you are a playful kitten or sedentary senior, whether you're a scrawny alley Tom or sleek-coated uptown girl, whatever your circumstances, you just want to be happy. Not the kind of happy that comes and goes like a can of flaked tuna, but an enduring happiness. The deep-down happiness that makes you purr from the heart.

Conflict of Interest David Michie, 2007-03-01. *Hurry Up and Meditate* David Michie, 2010-08-01. For anyone who wants to start meditating but has been struggling to get to the cushion, here are all the motivation and tools you need to achieve greater balance, better health, and a more panoramic perspective of life.

Expiry Date David Michie, 2002-01-01. Lorna Reid had become a medical heroine when the results of her research into an anti-ageing drug were published. Working with a panel of patients suffering from progeria, she had proved that the drug NP3 could arrest or reverse their abnormal ageing process. Then one of her best patients is killed, and she becomes aware that the results of the thirty-year-old research on which NP3 is based need to be re-examined. When she tries to track down the original scientist, she finds he has just died in a mysterious fire, and she herself is attacked. Then the test results on her own patients begin to go wrong, but she can see the irrefutable evidence that these people are in much better shape than before they were given the drug. So, who could be sabotaging what is proven to be a life-saving treatment? Once again, David Michie skilfully taps into a highly topical subject where the greed of the suits running the big pharmaceutical and health

corporations far outweighs any respect for human life Visit the author s website on www.davidmichie.com **Expiry Date/Pure Deception** A David Michie,2005-09-22 EXPIRY DATE Gene therapy is as much about spin as it is about research especially with such a discovery as NP3 an anti ageing drug that puts back by decades the expiry date written into our DNA But not everyone is as thrilled as the media by Dr Lorna Reid s scientific breakthrough Unless she is extremely careful the anti ageing guru is about to find her own life expectancy drastically reduced **PURE DECEPTION** No one is more surprised than amateur singer Mark Watson when he is talent hunted to record an album with pop icon Isis But within hours of landing in LA Mark learns that in the world of celebrity PR pure deception is par for the course and his dreams of fame and fortune quickly turn to a surreal nightmare He is physically threatened by an animal liberation group outraged at the endorsement he and Isis are giving to a cosmetics company a contract whose only get out clause is death **The Power of Meow** David Michie, **Enlightenment to Go** David Michie,2011-12-13 Essential reading for those seeking life changing psychological tools and transcendent wisdom Enlightenment to Go provides a lively and accessible introduction to the best of Shantideva With warmth humor and stories of his own experiences author David Michie shows how modern psychological science confirms Shantideva s insights and he explores powerful antidotes to contemporary problems including stress anxiety and depression Whether you are a newcomer to Buddhism or a seasoned practitioner Enlightenment to Go offers a glimpse of a radiantly different reality right here in your busy life **Mother's Love** Luke Foster,2023-06-23 Mother s Love is a series of essays about social issues I say that my readers know my essays are good for them like broccoli but the jokes throughout are sort of the cream cheese that makes the essays tasty I started writing them in 2014 and then picked up where I left off in 2021 Some of the best essays were written while travelling to Brooklyn in New York in 2021 The other more notable essays were written after long beach walks where I would empty my mind out so when I started writing I would only have a heading in mind and then let the rest flow directly out of my subconscious I often say that my life is sort of a circus that my essays are based on but the Dalai Lama says circuses are fun *The Fourth Rule of Ten* Gay Hendricks,Tinker Lindsay,2015 Ex Buddhist monk former LAPD detective and current private investigator Tenzing Ten Norbu knows Bill Bohannon as many things loving husband devoted father police administrator former partner and best friend But then an uninvited guest from Bill s past upends the Bohannons Fourth of July barbecue revealing in levelheaded Bill the most unexpected behavior behavior that awkwardly drops Ten in the middle of a crumbling marriage Ten makes an unexpected move of his own when he agrees to pro bono work for a convicted felon But it was dope slinger Godfrey Chambers Ten had repeatedly busted during his days on the force not the reformed and rechristened G Force who is now asking for Ten s help in claiming money left to him by a kind hearted benefactor and contested by the benefactor s self serving family Soon Ten s investigations lead him down the darkest corridors of the Internet and halfway around the globe to Sarajevo as he navigates the seedy worlds of human trafficking and personal regret As his cases intertwine Ten will rely on the wisdom of the Buddha and his own
