evidence that the original worshippers of YHWH may have been from the land of Kush One of Rice s earliest articles deals with the story of Joseph and relates it to Jim Crow Rice finds in the story a model for racial reconciliation that is still relevant today With a foreword by his colleague of many years Cain Hope Felder Professor of New Testament at Howard University School of Divinity now retired and a preface by Jonathan Rice Gene Rice s son the book is a treasure trove of carefully researched thought provoking articles and a perfect supplement to be used alongside a Hebrew Bible textbook

The Concept of Eternal Life in the Gospel According to Saint John Father Damian Bryan Lyons,1938 *Scribes and Translators* Natalio Fernández Marcos,1993 This volume based on recently published Old Latin material provides fascinating information and discussion on the textual pluralism attested by the Hebrew texts and versions of the books of Kings an intriguing page in the history of the biblical texts

Reward, Punishment, and Forgiveness Joze Krasovec,2014-09-03 This book deals with central and universal issues of reward punishment and forgiveness for the first time in a compact and comprehensive way Until now these themes have received far too little attention in scholarly research both in their own right and in their interrelationship The scope of this study is to present them in relation to the foundations of our culture These and related issues are treated primarily within the Hebrew Bible using the methods of literary analysis The centrality of these themes in all religions and all cultures has resulted however in a comparative investigation drawing attention to the problem of terminology the importance of Greek culture for the European tradition and the fusion of Greek and Jewish Christian cultures in our modern philosophical and theological systems This broad perspective shows that the biblical personalist understanding of divine authority and of human righteousness or guilt provides the personalist key to the search for reconciliation in a divided world
