Day Of The Owl:

The Day of the Owl Leonardo Sciascia, 2003-09-30 A man is shot dead as he runs to catch the bus in the piazza of a small Sicilian town Captain Bellodi the detective on the case is new to his job and determined to prove himself Bellodi suspects the Mafia and his suspicions grow when he finds himself up against an apparently unbreachable wall of silence A surprise turn puts him on the track of a series of nasty crimes But all the while Bellodi s investigation is being carefully monitored by a host of observers near and far They share a single concern to keep the truth from coming out This short beautifully paced novel is a mesmerizing description of the Mafia at work *The Local Cultures of South and East China* Wolfram Eberhard, 1968 *Studies in Trans-disciplinary Method* Michael J. Shapiro, 2013 This groundbreaking and innovative text addresses the deep ontological and epistemological commitments that underpin conventional positivist methods and then demonstrates how method can be understood in much broader and more interesting ways Drawing on a broad range of philosophical and methodological theory as well as a wide variety of artistic sources from fine art to cinema and from literature to the blues leading contemporary thinker Michael Shapiro shows the reader how a more open understanding of the concept of method is rewarding and enlightening His notion of writing as method is enacted throughout the text and offers a stimulating alternative for students to positivist social science methods This is essential reading for all students and faculty with an interest in post positivist methods **The Owl'S Mirror** Wilfried Wlochal, 2012-12-07 After his flight to Calgary Canada suddenly ends in a fiery crash fifty eight year old Tony Parker is rescued by a stranger Shaken but with few injuries Tony is shocked when he looks in the mirror and stares into the face of a teenager But the biggest shock is yet to come when Tony is told he has died and is now living in an alternate world Introducing himself as Max the stranger announces that Tony is now residing in a secular afterlife rumoured to be built from memory where all the regulars still have a debt to pay Populated by characters such as Marlene Dietrich Mata Hari Charles Ponzi and Mozart who often repeat blunders made during their lifetimes the world is ruled by an integration council assembled to deal with problem migrants such as Tony As Tony attempts to acclimate to his new home he is paired with Sebastian Melmoth also known as Oscar Wilde who becomes his mentor assigned to guide him through adventurous mayhem barely held together by con artist Till Eulenspiegel The Owl's Mirror is the compelling tale of one mans whimsical journey through a strange and nonsensical afterlife **Choice readings for every day in the year, selected [by J.V.D.S.] from the works of T.D.W.
