**Young Adult Resources Today** Don Latham, Melissa Gross, 2014-05-21 Young Adult Resources Today: Connecting Teens with Books, Music, Games, Movies, and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research-focused information behavior approach with a literature-focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research, and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters, including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood, diversity, YA development, and multiple literacies. Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres, movies, magazines, web sites, social media, and gaming. The final chapter covers navigating information landscapes, focusing on real and virtual YA spaces, readers advisory programming, and collaboration. Special attention is paid to program planning and evaluation.

Hazelwood,2023-11-07 In this clever and swoonworthy new novel from the New York Times and Sunday Times bestselling author of *The Love Hypothesis* life's moving pieces bring rival chess players together in a match for the heart. Mallory Greenleaf is done with chess. Every move counts nowadays after the sport led to the destruction of her family four years earlier. Mallory's focus is on her mom, her sisters, and the dead-end job that keeps the lights on. That is until she begrudgingly agrees to play in one last charity tournament and inadvertently wipes the board with notorious Kingkiller Nolan Sawyer, current world champion and reigning Bad Boy of chess. Nolan's loss to an unknown rookie shocks everyone. What's even more confusing? His desire to cross pawns again. What kind of gambit is Nolan playing? The smart move would be to walk away. Resign. Game over. But Mallory's victory opens the door to sorely needed cash prizes, and despite everything she can't help feeling drawn to the enigmatic strategist. As she rockets up the ranks, Mallory struggles to keep her family safely separated from the game that wrecked it in the first place. And as her love for the sport she so desperately wanted to hate begins to rekindle, Mallory quickly realizes that the games aren't only on the board; the spotlight is brighter than she imagined, and the competition can be fiercely attractive, intelligent, and infuriating. This novel is suitable for both young adult and adult audiences.

TJ KLUNE New York Times Bestselling author of *The House in the Cerulean Sea*. Benigno Benny Caldera knows an orphaned Boricua blacksmith in 1910s New York City can't call himself an artist. But the ironwork tank he creates for famed Coney Island playground Luna Park astounds everyone, especially the eccentric side show proprietor who commissioned it. Benny's work earns him an invitation to join the show's eclectic crew of performers, his first welcome in the city and share in their astonishing secret: the tank Benny built is a cage for their newest exhibit, a living, breathing, in-the-flesh merman stolen from the banks of the East River under a gleaming full moon. The merman is more than a mythic marvel; though Benny comes to know Ró as a clever philosopher, an observant traveler, and a kindred spirit, more beautiful and compassionate than any human he's ever met. Despite their different worlds, what begins as a friendship of necessity deepens to love, leading Benny's heart into uncharted waters where he can no longer ignore the agonizing truth of Ró's captivity and his own. A cage is no place for a merman to survive. Though releasing Ró means betraying his new family, bankrupting their home, and losing his soulmate forever, Benny must look within for the courage to do what's right and find a love strong enough to free them both.
