WORK EXPERIENCE (your most impressive thing needs to be first, period – i.e., no vague summaries)

Company Name #1

Aug. 2023 – Present

Co-Founder

Remote

- Digital learning ecosystem offering complimentary and educational content accessed by students worldwide.
- Another line about the work that you did.
 - **Stack:** JavaScript (React); PHP (Laravel + Inertia); Linux (Ubuntu); NGINX; MySQL.

Company Name #2

Oct. 2017 – Jul. 2023

Job Title (can slightly rework titles based on what you're applying for – no one will find out or care)

City, ST

- Lead with a company overview to borrow validity from the company's numbers to anchor the screener on something super impressive. E.g., sales, market cap, Fortune 500 status, # of users, # of employees, \$ raised, etc.
- As [role], I [responsibilities that match the job description, including some high-level numbers if impressive].
 - **Key Results:** Use subbullets to list quantifiable key results for specific projects or responsibilities. E.g., revenue, cost savings, man hours saved, partners onboarded, customers/users, review rating, etc.
 - Sub-bullets are for more detail if needed, like KPIs, your tech stack, notable clients, or project examples.

Company Name #3

(you can remove months across the entire resume to better hide work gaps)

Month Year – Month Year

Job Title

City, ST (or just put "Remote")

- Core responsibility #1 / key results / high level summary. I like ending bullet points with periods vs without.
- Core responsibility #2. Don't feel the need to write too much about jobs from over 5 years in the past.

Company Where You Had 2 or More Roles

Month Year – Month Year

Most Recent Job Title | Month, Year – Present

City, ST

- If you've been promoted / have held multiple titles at one company, put dates in italics next to each title like so.
- Core responsibility #2. As the jobs get older in your timeline, they're less relevant and need fewer bullet points.

Prior Job Title | Month, Year – Month, Year

- Prior to my promotion to [recent title], I... [core responsibility #1]. Older job, less relevancy, 1 bullet is fine.

Company Name #5

Month Year – Month Year

Job Title

City, ST

- Core responsibility #1. For past jobs with zero or little relevance, save space by skipping any bullet points.

EDUCATION (for early-career candidates with less work experience, you can put this section first before WORK)

University Name

Graduation Month, Year

Degree (e.g., Bachelor of Science), Major (e.g., Computer Science)

City, ST

- **GPA: 3.X/4.0** (list only if GPA is over 3.3); *Sigma Chi Lambda*; Economics Honors Society; Dean's List
- Any other fun stuff like a minor, varsity sports, fraternity/sorority, or something that gives you a little color.

CERTIFICATIONS, SKILLS & INTERESTS (can put Skills / Certifications first if transitioning your career)

- **Certifications:** If you have relevant ones; otherwise, delete this bullet + delete "CERTIFICATIONS" above.
- **Technologies:** If you have a lot of hard skills vs soft skills, you can break them out into two different bullets.
- **Skills** (plug in your own and rearrange depending on role): Strategic Planning; Brand Marketing; Copywriting; Hiring
- **Interests** (make it them or you as human): Weightlifting; Composting; Yoga; Traveling; Fishing; Reddit; *Soyfild*

Melting the ice: Engaging and educational ice-breaker activities for every learning session Jen Schneider,2023-04-14 The first five minutes of a classroom experience are critical The tone set in a session s opening minutes can significantly impact and influence in both positive and negative ways the quality and nature of the subsequent learning experience How students spend that time can also have a positive impact on their learning in both the short and long term When the opening minutes of a class are approached as an opportunity to build student connections collaboration and community all learners benefit As more and more learning experiences occur in synchronous and asynchronous online learning environments strategies that both welcome students to online sessions and support student learning are increasingly important Traditional ice breakers while typically shared with a goal of building community and student engagement can sometimes have unintended or even negative consequences on students This text shares a collection of powerful opening activities that are designed to simultaneously engage students build safe and connected classroom communities and support student learning All strategies are easily adapted and personalized to fit individual course and content needs including face to face synchronous online and asynchronous online learning contexts Shared activities are aligned with associated learning science research and incorporate strategies that have been shown to support student engagement and learning such as retrieval practice active recall spaced practice and interleaving among other evidence based instructional strategies **Careers in Healthcare and Beyond** Evelyn Lee,2021-07-28 According to the U S Bureau of Labor Statistics some of the fastest projected job growth will occur in the healthcare healthcare support and personal care fields which accounts for almost one third of the total employment growth by 2020 Analysts suggest that the healthcare field is growing because of the long term trends of an

aging population and improved diagnosing and treatment options. Additionally, technology advances in telemedicine and telehealth are allowing elderly patients to remain in their homes as they age, even though their health needs are increasing. All these advances and changes to payment structures are fueling the employment growth opportunities in healthcare. This book is intended for someone curious to learn more about a career in healthcare but not certain if it is right for them or if the industry would be a good fit for them. For the person who is already interested in pursuing a career in healthcare, it provides added excitement to continue on this path. For the person who is less certain, it explores in a narrative format the unique opportunities that are available in healthcare and career options that are not obvious to the general public. It is designed to provide added insights and stories that will inspire one to learn more about the field of healthcare and the many opportunities to consider. It will encourage readers to explore ways to gain hands-on experience to determine what is the best approach for them to take to start this journey. This book is also intended for those who currently work in healthcare but may be considering a different job in the field.

MS Office XP, 2002. The I Series Applications textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing. These texts have been written with clear, error-free and unambiguous steps to accomplish tasks that lead to a finished document, worksheet, or database table. The authors made the decision that teaching how to accomplish some task is not enough for complete understanding and mastery. Prior to introducing steps, the authors discuss why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document, workbook, or database.

Résumé Writing, 1984. **Public Interest Job Search Guide**, 2000. **GO! with Microsoft Office Word 2003- Comprehensive**. Shelley Gaskin, John Preston, Sally Preston, Professor of Philosophy. John Preston, Robert Ferrett, 2004. Written for a diverse audience, all ages, different educational backgrounds, varying educational goals, this book allows for self-paced or online learning. The primary goal of the GO Series Microsoft Word 2003 Comprehensive is to teach Microsoft Word 2003 quickly and easily with an approach that is based on clearly defined projects. A key feature of the book is the use of Microsoft procedural syntax steps: begin with where the action is to take place, followed by the action itself. The instruction is error-free, clearly written, and logically arranged. This book provides users with the skills to solve business problems using the computer as a tool.

Combining Volumes 1 and 2, the comprehensive edition covers the following topics relating to Word 2003: getting started, using special utilities and formatting tools, adding clip art and tables, creating newsletters with multiple columns and special formats, using charts and text effects to enhance documents, group projects, working with tables, graphics, and objects, creating styles, and automating mass mailings, working with large documents, creating standardized forms, and documents working collaboratively and customizing Word for particular needs. An efficient and handy guide for anyone interested in learning the ins and outs of Microsoft Word 2003.
