keto junkie you're sure to find a lot of tips to begin or sustain your low carb lifestyle. Because it's more than just weight loss, it's the beginning of disease prevention and a better quality of life. Your body, mind, and soul will thank you for it. While writing the book, the idea for her Facebook blog Spiff's Kitchen was born. There you'll find new recipes, low carb tips, and easy ideas for sustaining the low carb lifestyle.

The Real Meal Revolution: Low Carb Cooking Jonno Proudfoot, 2019-05-14. The Real Meal Revolution Low Carb Cooking is the go-to resource for anyone who wants to cook better low carb foods right now and for many years to come. It is a book that will teach you the fundamentals behind making any dish delicious by honing in on classic flavour combinations, basic cooking techniques, and affordable, readily accessible ingredients. Low carb eating is currently on trend, but this is not a book that follows the eating trends of right now. It is a book packed with lessons to last a lifetime. And every single recipe is low carb. This timeless and comprehensive guide to cooking well and eating healthily showcases classic flavour combinations, foolproof methods to bring out the best in any ingredients, foods that will help to ensure good health for life. This book comprises 300 low carb recipes, 20/40 cooking lessons, over 120 colour photographs, brief and to the point dietary advice.

A Journey Worth Taking Kristie H. Sullivan, Ph.D., Dr. Kristie H. Sullivan Ph.D., 2017-02-26. This cookbook was written to help others make a ketogenic or very low carb diet a lifetime commitment. After a lifetime of obesity, following this way of eating began as a desperate plan to weight and evolved into a journey to manage my health and not just my weight. While I enjoy eating the best foods of my life and losing weight, I also have come to appreciate that my overall health has improved. I no longer need any of the four medications that I was on before I started keto. I no longer wait in the car or at the hotel while my family hikes. Now I'm the one who suggests that we go for a walk or go kayaking or play at the pool. My husband and I have been on a ketogenic diet since June 2013, yet one of our physicians still asks whether this diet is sustainable in spite of our having lost a combined 180 lbs. Moreover, my husband's blood pressure has gone from the verge of needing medication to being low normal. Still, the physician asks if we can sustain it long term. In fact, more than one medical professional has told me that this way of eating is too difficult to follow or too restrictive. One of the goals of this cookbook is to prove that notion wrong. This cookbook has the everyday recipes that my family and I have enjoyed on our very own journey to health. There are some low carb treats, but the majority of the recipes in this book are the simple recipes that have become part of our day-to-day lives. There are delicious, filling breakfasts that will keep your tummy happy when it's tired of scrambled eggs and bacon, and hearty sides that will never make you feel deprived. This is diet food that you will be proud to share at any potluck, and your carbivore friends will expect you to share. I snuck in a few very low carb treats for birthdays, holidays, or special occasions because these are the foods with which we have also celebrated on our journey. It is my sincere wish that these recipes can help you sustain a very low carb diet as a delicious life style. You can learn more about my journey from my YouTube channel, Cooking Keto with Kristie, at https://www.youtube.com/channel/UCFGt_87bzIjXHzvsU8leOQ videos. You can also follow my Facebook page, Simply Keto, or my website at www.
