during simple petty arguments or disagreements In today s society more and more people or resolving their disagreements with fists as oppose to talking things out exhibiting bad behavior In my experience I have seen too many examples of this conduct and this is why it was necessary to create this program to empower readers who may not have the time to join a Martial Arts gym or do any self defense training regularly Truth is if you are able to master just a few of these techniques and apply them well you will find them to be very useful and perhaps use them whenever danger arise *Variety's Complete Home Video Directory* ,1988 **Bruce Lee's Fighting Method: Basic training** Bruce Lee,M.
