*Book on the iPad* Brian Schell, 2022-07-15 Yes, you can write a book and self-publish it worldwide using only your iPad. In this book, we'll go over the reasons why you might want to write your book on an iPad. Then we'll look at the various models of iPad and decide which is suitable for your needs. We'll look at optional and recommended accessories, everything from a bare iPad to a full desktop setup with a monitor, mouse, and external drives. What will work for you and what won't? Next, we'll look at the various software tools you'll use. Yes, we'll look at numerous word processors and text editors, but there are also outlining and mind mapping tools, as well as graphics apps for use with cover design. We'll look into which apps export into the formats you'll need for both print books and ebooks. Lastly, we'll look at the process of publishing worldwide on all the major bookselling platforms. *Supply Chain Management* Nada R. Sanders, 2020-11-24 Like no other text on the subject,

*Supply Chain Management: A Global Perspective* provides a balanced and integrated perspective of both the foundational principles and pragmatic, business-oriented functions of SCM. Highlighting the holistic and interconnected nature of SCM, this comprehensive volume addresses supply chain strategy, design, planning, controlling, management, and more. The text features numerous real-world business examples that illustrate SCM best practices while helping students understand the complexities of SCM decision-making. Now in its third edition, this well-respected text provides a global focus, cross-functional approach, and strong pedagogy. Clear, student-friendly chapters contain discussion questions, case studies, and examples designed to develop managerial thinking, explore key managerial issues, and bring difficult concepts to life. Detailed yet accessible coverage of topics including operations management, sourcing, logistics, forecasting, demand planning, and sustainable supply chain management offers a realistic practitioner's view of SCM in the contemporary business landscape.
