Low Carb Recipes Mathias Mller,2017-02-19 The idea behind the low carb diet is to supply the body with energy through the nutrients consumed and to keep the energy level as balanced as possible Since people are often rushed during the week you will find lots of recipes in this cookbook which only take minutes to make or can be made ahead the night before This is one the biggest advantages of a low carb diet Although you re changing your eating habits you re not changing your shopping habits To ensure the necessary variety the 300 recipes cover several categories from a small to a big appetite These categories are Vegetarian Recipes Soups and Salads Meat Entr es Fish Entr es Snacks Sweet recipes Hearty recipes Vegetarian recipes Vegan recipes Recipes for at home Recipes to go Recipes for special occasions Recipes for work International recipes Muffins Cupcakes Cookies Pastries Pancakes Waffles Mousse Pudding Ice Cream Sorbet Candy Fruit Snacks and much more One big advantage of a low carb diet is that it is rich in nutrients so you won t feel hungry And if you have a big appetite the portions can even be a bit bigger without having to skip dinner the next day to make up for it So perseverance isn t important during these 2 weeks making it even easier to incorporate a low carb diet into your life The quick results and compliments are just another incentive to become a true low carb fan even after those initial 14 days are over Healthy weight loss with the low carb diet Download your copy today *Going Forward* ,2003 **Low Carb Recipes** Mathias Mller,2017-02-19 Weight loss in 14 days is not a new concept However past diet concepts have only focused on a specific food or calorie counts This inevitably limits the number of recipes to choose from This 14 day system is innovative since it is based on low carb rules and only cuts back on the number of carbs This therefore only eliminates a few foods like pasta rice and potatoes and nowadays these ingredients in your favorite foods are mainly replaced with options which are just as delicious Results can already be seen after just a few days when you never even get that hungry feeling so common with other diets Since you ll be eating low carb throughout the day the results after 2 weeks will be so convincing that the many compliments will not only stroke your ego but encourage you to say goodbye to carbs forever but never to delicious food The system is based on a simple concept repeated daily throughout the 14 days The individual components consist of 2 Breakfast Options Each day choose a sweet or savory option from the menu The only thing that determines which delicious option to start your day the right way with is your stomach Mid Morning Snack The greatest risk of jeopardizing your weight
