A Model World and Other Stories Michael Chabon, 2008 In this compelling collection of short stories bestselling author Michael Chabon explores adolescent desire love friendship and fatherhood moving across this powerful emotional ground with subtlety and incisiveness *Moonglow* Michael Chabon, 2016-11-22 *Moonglow* unfolds as the deathbed confession of a man the narrator refers to only as my grandfather It is a tale of madness of war and adventure of sex and marriage and desire of existential

doubt and model rocketry of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury and above all of the destructive impact and the creative power of keeping secrets and telling lies It is a portrait of the difficult but passionate love between the narrator s grandfather and his grandmother an enigmatic woman broken by her experience growing up in war torn France It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination
