The Art of Living Foundation Stephen Jacobs,2016-03-09 The Hindu derived meditation movement The Art of Living AOL founded in 1981 by Sri Sri Ravi Shankar in Bangalore has grown into a global organization which claims presence in more than 150 countries Stephen Jacobs presents the first comprehensive study of AOL as an important transnational movement and an alternative global spirituality Exploring the nature and characteristics of spirituality in the contemporary global context Jacobs considers whether alternative spiritualities are primarily concerned with individual wellbeing and can simply be regarded as another consumer product The book concludes that involvement in movements such as AOL is not necessarily narcissistic but can foster a sense of community and inspire altruistic activity

The Art of Living and Dying

Osho,2017-06-06 Death cannot be denied by repeating that death does not exist Death will have to be known it will have to be encountered it will have to be lived You will have to become acquainted with it Osho Why are we afraid of death How do I relax in the certainty of death Is the theory of reincarnation true How can I celebrate death as you suggest With depth clarity compassion and even humor Osho answers these questions and many others shedding new light on this most sacred of mysteries and providing practical guidance for meditation and support In The Art of Living and Dying Osho not only reveals that our fear of death is based on a misunderstanding of its nature but that dying is a tremendous opportunity for inner growth Death is not an event but a process and one that begins with birth Each exhalation is a small death each inhalation a rebirth When life is lived consciously and totally death is not a catastrophe but a joyous climax
