**Competitive Digital Innovation** Amit Basu, Steve Muylle, 2023-05-16 Innovative digital technologies are forcing companies to rethink how they compete. The focus of digital innovation in business has shifted from internal transformation within firms to their market interface and ecosystems. While opportunities for innovation in internal operations are well established, it's less clear how to leverage technology at the market interface. This often has strategic implications and the goal of this book is to help you connect digital innovation to business strategy. By understanding how to leverage digital technologies, you can redefine your market-facing business processes, your products, services, and even your business models and stay competitive in today's hybrid markets. This book provides a coherent and comprehensive approach to not just survive but rather thrive in the 21st Century global marketplace. With global real-world examples and original frameworks, this is an ideal book for executives and anyone who wants to understand digital strategy. Highly practical but infused with rigorous research, it shows you how your business can use digital technologies to compete in today's hybrid markets. 45

*Conversations About Behavioral Economics* Li Way Lee, Aaron Keathley, 2022-07-12 The hallmark of this book is its conversational format. The conversations are organic, no jargons, no additives such as equations and tables. Each conversation comes in bite-size, taking no more than ten minutes to digest.

*Cash, Credit and Credit Repair Information for Teens, 4th Ed.* James Chambers, 2021-07-01 Provides tips for a successful financial life including facts about earning money, paying taxes, budgeting, banking, shopping, using credit, and avoiding financial pitfalls.

[Sell More Books at Live Events](#) Christopher D. Schmitz, 2022-10-15 Sell more paperbacks at your live events with expert advice geared to help you succeed in face-to-face sales encounters. Do you lack the confidence or the knowledge necessary to sell books at events? Do you wonder where to even start finding conventions, seminars, conferences, and expos to sell your books at? Have you tried this before and did not get the results you hoped for? Christopher Schmitz sells thousands of paperbacks each year directly to avid readers and regularly teaches other authors best practices on how to do exactly the same. This number is not inflated by selling courses to other authors or with any sort of giveaway. Selling thousands of novels or nonfiction books is absolutely possible, and Schmitz regularly invites indie authors to work alongside him and learn his methods. This book will show you how to confidently pitch your book, teach you how to narrow down the best places for you to sell at by finding your target market, and explain how to optimize your sales booth and author business for success. Additionally, you'll learn how to link a sales dashboard to an inventory tracker and your website so you know how many books you have on hand at all times. How to easily take credit cards and add/manage sales tax. Managing your live events so you earn profit instead of loss. Expert sales tactics to make people excited to purchase your book. Tips to immediately onboard new customers onto your newsletter and engage them. Strategies to help you get hundreds of sales per live event. And so much more. This book will show you the methods I use to sell thousands of paperbacks every year directly to readers at live events, mostly at conventions, and teach you how to
