Bookstagram Picks This Week:

The Barefoot Bookshop on the Beach Rebecca Raisin, 2026-03-07 A wildly romantic escapist summer romantic comedy perfect for fans of Sarah Morgan and Eliza J Scott guaranteed to make you feel like you're on vacation already We need a bookseller for the Barefoot Bookshop on the Beach apply here When Harper sees an ad for what must surely be the most idyllic job in the world she's almost tempted But she can't possibly leave her bookshop job in London or her burgeoning career as a successful Bookstagram influencer That is until a casual remark about a debut author lands her in deep trouble So she applies After all now she's got nothing to lose Except maybe her heart she realises as she lands on the beautiful island of Soper in the Seychelles and finds herself seemingly surrounded by beautiful men Including the hotel owner moody but heartbreakingly handsome Xavier But inter staff relations are strictly forbidden And Harper has enough on her plate with a member of staff missing and a wily band of expats to contend with Plus she's determined to make the bookshop and new start the success they deserve to be Even if under the blazing sunshine the romance novel superfan in her can't help but hope the boss of the hotel might not be quite the grump he seems The most romantic story you'll read this year with an unforgettable cast of characters that includes a giant tortoise living in a bookshop Don't miss it Available now Praise for Rebecca Raisin Once I started reading I was completely swept away A perfect summer escape Reader Review Ahhh I absolutely loved this book Made me laugh warmed my heart Fabulous NetGalley reviewer I really want to go on this trip I love how Rebecca brings you to the heart of the characters in this book and the positivity and joy I get from reading her stories Reader Review This book made my heart very happy An absolute warm hug in book form NetGalley reviewer I have no idea how Rebecca Raisin does it but she keeps writing enchanting heart warming stories that you never want to end I would suggest curling up on the sofa with a glass of something and some chocolate the French food descriptions will make you hungry and just escape into this wonderful story Reader Review This book was just adorable Loved the storyline Brilliant quirky characters that you could not help fall in love with what more could you want Reader Review Oh how I loved this book Really lively and vibrant and so engaging I really didn't want to put the book down and read it in less than a day I was fully invested Reader Review

Reading Bestsellers Danielle Fuller, DeNel Rehberg Sedo, 2023-04-27 Readers are essential agents in the production of bestsellers but bestsellers are not essential to readers' leisure pursuits The starting point in this Element is readers' opinions about and their uses of bestselling fiction in English Readers' relationships with bestsellers bring into view their practices of book selection and their navigation of book recommendation culture Based on three years of original research 2019-2021 including a quantitative survey with readers interviews with social media influencers and qualitative work with international Gen Z readers in a private Instagram chat space the authors highlight three core actions contemporary multimodal readers make choosing connecting and responding in a transmedia era where on and offline media practices co-exist The contemporary multimodal reader or the MMR3 they argue illustrates the pervasiveness of recommendation culture reliance

on trusted others and an ethic of responsiveness

Bookstagram Picks This Week: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. Bookstagram Picks This Week : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Bookstagram Picks This Week : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Bookstagram Picks This Week : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
