*Refining Design for Business* Michael Krupel, 2014. With a focus on the intersection of design, data and marketing in business, Michael Krupel's *Refining Design* uses before and after screenshots to show the new level of importance design now plays in the world of business and how changing the standard design process most companies follow can add accountability for driving business and customer value. This book demonstrates how to test different design versions with real customers as well as build segmentation strategies to personalise experiences across a business. Businesses that start to function in the ways described in this book evolve not only their strategies, structures and people's skill sets but their cultures as well as they become infused with more collaboration, creativity and accountability. The book walks through visual business cases with real world examples of how companies tackled business obstacles by redefining their designs and moved towards transforming their business into best in class optimisation organisations.

**Likeable Social Media, Third Edition: How To Delight Your Customers, Create an Irresistible Brand, & Be Generally Amazing On All Social Networks That Matter** Dave Kerpen, Michelle Greenbaum, Rob Berk, 2019-02-22.
