Preschool and Elementary Mary Pride,1991-06 Preschool and elementary volume 2 Lofty Achievements Virginia A. Arnold,1990 Technology, Reading, and Language Arts Jerry Willis,Elizabeth C. Stephens,Kathryn I. Matthew,1996

Technology Reading and Language Arts explores ways in which preservice and inservice teachers can integrate technology into their reading instruction It is organized around the dominant approaches to literacy instruction links theory to practice in meaningful ways and covers types of software and electronic resources and their use in the classroom rather than describing hundreds of different programs This book embraces a solid conceptual framework to reading instruction and will be of particular interest to instructors who prefer constructivist whole language and language experience approaches to teaching reading However direct instruction approaches are also covered in two chapters **Instructor** ,2002 **Handbook of Early Literacy Research** Susan B. Neuman,David K.

Dickinson,2011-10-10 The field of early literacy has seen significant recent advances in theory research and practice These volumes bring together leading authorities to report on current findings integrate insights from different disciplinary perspectives and explore ways to provide children with the strongest possible literacy foundations in the first 6 years of life The Handbook first addresses broad questions about the nature of emergent literacy summarizing current knowledge on cognitive pathways biological underpinnings and the importance of cultural contexts Chapters in subsequent sections examine various strands of knowledge and skills that emerge as children become literate as well as the role played by experiences with peers and families Particular attention is devoted to the challenges involved in making schools work for all children including members of linguistic and ethnic minority groups and children living in poverty Finally approaches to instruction assessment and early intervention are described and up to date research on their effectiveness is presented
