The American Historical Review John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1904
American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world
Published by the American Historical Association it covers all areas of historical research **The English Historical**

Review ,1885 **Gaming Democracy** Adrienne L. Massanari, 2024-10-29 How play and gaming culture have mainstreamed
far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream
In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they
increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies
game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism
has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized
communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms
and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and
COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use
memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right
uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to
obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy
is a novel contribution to our understanding of online platforms and far right political activism *Church Quarterly Review*
