Understanding What Motivates Us Joe Federer,2020-09-15 From the former Head of Brand Strategy at Reddit comes a
proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is
rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe
Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands
on experience to explain why people act so differently in various online spaces and what they are seeking from participating
in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the
internet is a digital reflection of the collective human psyche and how different social networks correspond to different
mindsets platforms like Reddit to the unfiltered Id Facebook and Twitter to the managed Ego and Instagram to the ideal
Superego In the same way you behave differently when you re home alone out with friends communicating with family or
interacting with coworkers people act and express themselves differently in these various online spaces Context matters
Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on
each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into
different types of social channels how to balance branded social presences across different networks why authenticity will
