the whole bed rattled The doctor called out orders in a calm voice and suddenly the room was filled with a buzz of activity Ryan watched in disbelief as Liz continued to shake even as they turned her to her side and gave her oxygen and stuck something into her IV line No one paid attention to him as they worked quickly and efficiently The seizure seemed to go on forever and ever but finally it quieted Liz was now surrounded by lines and machines and people who had appeared out of nowhere There was the steady beeping of a heart monitor Someone opened the door someone else released the brakes on the bed and in an instant she was rolled out the door and was gone And Ryan felt more alone than he ever thought possible
