Wins, Losses, and Empty Seats David George Surdam, 2021-08-06 Organized baseball has survived its share of difficult times and never was the state of the game more imperiled than during the Great Depression Or was it Remarkably during the economic upheavals of the Depression none of the sixteen Major League Baseball teams folded or moved In this economist's look at the sport as a business between 1929 and 1941 David George Surdam argues that although it was a very tough decade for baseball the downturn didn't happen immediately The 1930 season after the stock market crash had record attendance But by 1931 attendance began to fall rapidly plummeting 40 percent by 1933 To adjust teams reduced expenses by cutting coaches and hiring player managers While even the best players such as Babe Ruth were forced to take pay cuts most players continued to earn the same pay in terms of purchasing power Baseball remained a great way to make a living Revenue sharing helped the teams in small markets but not necessarily at the expense of big city teams Off the field owners devised innovative solutions to keep the game afloat including the development of the Minor League farm system night baseball and the first radio broadcasts to diversify teams income sources Using research from primary documents Surdam analyzes how the economic structure and operations side of Major League Baseball during the Depression took a beating but managed to endure albeit changed by the societal forces of its time

[The Age of Ruth and Landis](#) David George Surdam, 2018-01-01 As the 1919 World Series scandal simmered throughout the 1920 season tight pennant races drove attendance to new peaks and presaged a decade of general prosperity for baseball Babe Ruth shattered his own home run record and buoyed by a booming economy professional sports enjoyed what sportswriters termed a Golden Age of Sports Throughout the tumultuous 1920s Major League Baseball remained a mixture of competition and cooperation Teams could improve by player trades buying Minor League stars or signing untried youths Players and owners had their usual contentious relationship with owners maintaining considerable control over their players Owners adjusted the game so that the 1920s witnessed a surge in slugging and a diminution in base stealing and they provided a better ballpark experience by both improving their stadiums and minimizing disruptions by rowdy fans However they hesitated to adapt to
