life The Outlook With a great multitude of anecdotes Mr Marden endorses the lessons of patience perseverance enthusiasm energy cheerfulness resolution pluck and all the virtues which go to make up character and success For it is to be observed that he does not hold up material success and prosperity as the goal to be reached but has much more in mind the making of men A fusillade of maxims and pithy sayings is kept up from first to last and though one anecdote may expel another and the life of one strong man achieving success in spite of difficulties is likely to be more inspiring than a gross of anecdotes there are no doubt natures which will be stimulated by this cheerful energetic book The Atlantic Monthly The book is thoroughly readable for Mr Marden has spared no pains to bring together an immense number of attractive anecdotes and quotations Daily Chronicle Mr Marden may be congratulated on having produced a volume so exceptionally well written and interesting that we do not doubt it will take high rank among the best books that have been brought out as a stimulus and encouragement to aspiring youth We do not remember having seen anything so admirable in literary style and high purpose as Mr Marden s Pushing to the Front The design of the book is to influence less by argument and appeal than by stirring example and incident the pages are crowded with brightly told information concerning the great efforts of noble men and women who have won success in spite of overwhelming difficulties Schoolmaster A modern wonder and should be in the hands of every American boy Bishop Newman A store house of incentives a treasury of precious sayings a granary of seed thoughts capable of a fine character harvest Rev Edward A Horton Boston Dr Marden s power of pithy statement and pertinent illustration seems inexhaustible President Warren of Boston University In this field of epitomized biography arranged especially for the encouragement of youth I the pursuit of the honorable ambition to succeed there is probably no finer work than this Christian Work **Pushing to the Front** Orison Swett Marden,2018-09-25 Pushing to the Front Volume 2By Orison Swett MardenThe book tells how men and women have seized common occasions and made them great it tells of those of average ability who have succeeded by the use of ordinary means by dint of indomitable will and inflexible purpose It tells how poverty and hardship have rocked the cradle of the giants of the race The book points out that most people do not utilize a large part of their effort because their mental attitude does not correspond with their endeavor so that although working for one thing they are really expecting something else and it is what we expect that we tend to get
